Re: Misrepresented instrument - bill of attainder / foreign bill of exchange
styled as case no. GV22-6109; and the unconstitutional de facto
administrative hearing scheduled for February 22, 2023,

Stare Decisis

See Old Wayne Mut. L. Assoc. v. McDonough, 204 U.S. 8, 27 S.Ct.

236 (1907) ("A court cannot confer jurisdiction where none existed and cannot
make a void proceeding valid. It is clear and well-established law that a void

order can be challenged in any court.").

Memorandum

On or about January 24, 2023, you were served either directly or by and through your agent with the Affidavit of Fact: Writ of Error [Exhibit: A] which was entered into the records of this de facto case and stand as conclusive evidence of the misrepresented instruments - bills of attainder / foreign bills of exchange styled as case no. GV22-6109 and title SUMMONS FOR UNLAWFUL DETAINER (CIVIL CLAIM FOR EVICTION) dated January 4, 2023, and any other attachments associated thereto, including the de facto administrative hearing scheduled for January 25, 2023, being unconstitutional, notwithstanding, null and void ab initio, and unenforceable for lack of jurisdiction and fraud due to your lack of Art. III judicial authorization.

On January 25, 2023, you, Sonya Sacks and Marion W. Jackson, acting in collusion with you, Jessica Glajch and Edward J. Longosz, II, arbitrarily scheduled another unconstitutional de facto administrative hearing for February 22, 2023, in want of jurisdiction and by color of authority for the collusive action in this de facto case against the artificial corporate person construct, i.e., LAMONT BUTLER-EL, under color of law within purview of the unconstitutional 14th Amendment with the intent to continue to deprive me of my treaty secured right to inherit my ancestral estate in reversion known as 2345 Mill Road, Alexandria, Virginia, per my reversionary interest therein as de jure heir apparent, absent of due process of law in violation of Article III, section 2, and 5th Amendment of the Constitution for the United States of North America, and in violation of Articles 20 and 22 of the Treaty of Peace and Friendship of 1836 between the United States of North America and the Moroccan Empire. See Kolovrat

v. Oregon, 366 U.S. 187, 194, 81 S.Ct. 922 (1961) ("A state cannot refuse to give foreign nationals their treaty rights because of fear that valid international agreements may possibly not work completely to the satisfaction of state authorities. Under the supremacy clause of the United States Constitution Article VI, clause 2, state policies as to the rights of aliens to inherit must give way to overriding federal treaties and conflicting arrangements.").

On or about February 15, 2023, you were served either directly or by and through your agent with the Affidavit of Fact: Writ of Quo Warranto [Exhibit: B-QUO] which was entered into the records of this de facto case and served as my special appearance, in propria persona, in full life, sui juris, as authorized representative, ex rel. LAMONT BUTLER-EI, and commanded for you to produce your alleged jurisdiction and Article III judicial authorization from Congress (among other things) for the record, and you were given three (3) days from that date to answer. Since then you failed to answer which constitutes default, and stands as conclusive evidence of your admission by silence to your lack of jurisdiction and fraud, and the collusive action and de facto administrative proceedings initiated in this de facto case by you under color of law, including the de facto administrative hearing scheduled for February 22, 2023, and any other attachments associated thereto being unconstitutional, notwithstanding, null and void ab initio, and unenforceable. see Elliot v. Peirsol, 26 U.S. 328, 340 (1828) ("Courts are constituted by authority and they cannot act beyond the powers delegated to them. If a court acts without authority, its judgments and orders are regarded as nullities. They are not voidable, but simply void; and form no bar to a remedy sought in opposition to them, even

prior to a reversal. They constitute no justification; and all persons concerned in executing such judgments, or sentences, are considered, in law, as trespassers.").

The Affidavit of Fact: Default Judgment [Exhibit: C-DEF] will be served upon you (et al.) either directly or by and through your agent, and will be entered into the records of this de facto case as a result of your default.

WHEREFORE, it is hereby ORDERED and ADJUDGED that a writ of error be and the same is hereby entered against you, Sonya Sacks, Marion W. Jackson, Jessica Glajch, Edward J. Longosz, II, and your agent/assign;

It is further ORDERED and ADJUDGED that the misrepresented instrument - bill of attainder / foreign bill of exchange styled as case no. GV22-6109 and any other attachments associated thereto are unconstitutional, notwithstanding, null and void ab initio, and unenforceable for lack of jurisdiction and fraud;

It is further ORDERED and ADJUDGED that the collusive action and de facto administrative proceedings under color of law in de facto case no. GV22-6109 in the records of the foreign de facto ALEXANDRIA CITY GENERAL DISTRICT COURT (Inc.), including the de facto administrative hearing scheduled for February 22, 2023, and any other attachments associated thereto are unconstitutional, notwithstanding, null and void ab initio, and unenforceable for lack of jurisdiction and fraud.

Done and Ordered at Maghrib al Aqsa, North-West Amexem.

I declare and affirm by virtue of Divine Law, under the Zodiac Constitution, and upon the honor of my Foremothers and Forefathers that the above Writ of Error and Affidavit is true and correct.
