2020-DR-011435-O and any attachment associated thereto:

**Stare Decisis Law**

*"Courts are constituted by authority and they cannot act beyond the power delegated to them. If a court acts without authority, its judgments and orders are regarded as nullities. They are not voidable, but simply void; and form no bar to a remedy sought in opposition to them, even prior to a reversal. They constitute no justification; and all persons concerned in executing such judgments, or sentences, are considered, in law, as trespassers."*
