#### Stare Decisis Law

*"A court cannot confer jurisdiction where none existed and cannot make a void proceeding valid. It is clear and well-established law that a void order can be challenged in any court."* See *Old Wayne Mut. L. Assoc. v. McDonough*, 204 U.S. 8, 27 S.Ct. 236 (1907)

For the record, I am Toni Michelle Bey, a natural person, in full life, in propria persona, sui juris. My nationality / citizenship is Moorish American, being an aboriginal and indigenous sovereign national and heir of the Moroccan Empire, and a foreign national inhabitant near the corporate ORLANDO, Florida state republic. I come now making special appearance under duress as authorized representative, ex rel. the artificial corporate person / nom de guerre TONI MICHELLE GIDDENS, and I hereby challenge your jurisdiction via *quo warranto* on the grounds of lack of jurisdiction and improper venue.

#### Jurisdiction and Venue

I hereby invoke my treaty right to consular jurisdiction under Articles 20 and 21 of the Treaty of Peace and Friendship of 1836 between the United States of North America and the Moroccan Empire:

**Article 20.** If a citizen of the United States, or any persons under their protection, shall have any disputes with each other, the Consul shall decide between the parties; and whenever the Consul shall require any aid or assistance from our Government, to enforce his decisions, it shall be immediately granted to him.

**Article 21.** If a citizen of the United States should kill or wound a Moor, or, on the contrary, if a Moor shall kill or wound a citizen of the United States, the law of the country shall take place, and equal justice shall be rendered, the consul assisting at the trial; and if any

delinquent shall make his escape, the consul shall not be answerable for him in any manner whatever.

See *Kolovrat v. Oregon*, 366 U. S. 187, 194, 81 S.Ct. 922 (1961) ("*A state cannot refuse to give foreign nationals their treaty rights because of fear that valid international agreements may possibly not work completely to the satisfaction of state authorities. Under the supremacy clause of the United States Constitution Art. VI, clause 2, state policies [...] must give way to overriding federal treaties and conflicting arrangements.*").

#### Quo Warranto

YOU ARE HEREBY COMMANDED to produce the following for the record as proof and evidence of your lawful jurisdiction and judicial authorization:

1. a certified copy of the Delegation of Authority order from Congress per Article III section 1 and 2 of the Constitution for the United States of North America as evidence of the ORANGE COUNTY CLERK OF COURTS (Inc.) having been lawfully conferred judicial authorization and jurisdiction to hear and decide cases affecting the treaty rights of Moorish American nationals;
2. A copy of the alleged valid and verifiable contract or commercial agreement which obliges me to any specific performance or to any commercial (traffic) statute, code, rule, or regulation of the private foreign corporate entity ORANGE COUNTY CLERK OF COURTS (Inc.);

They are not voidable, but simply void; and form no bar to a remedy sought in opposition to them, even prior to a reversal. They constitute no justification; and all persons concerned in executing such judgments, or sentences, are considered, in law, as trespassers."); also, see *United States v. Throckmorton*, 98 U.S. 61 ("Fraud vitiates the most solemn contracts, documents and even judgments.")
