MOORS ORDER OF THE ROUNDTABLE

CIVICS, SCIENCE, HERITAGE CLASS

Moors: The descendants of the Ancient Moabites. The true indigenous Peoples who inhabited the Northwestern and Southwestern Continents (lands) of Ancient Amexem / Al Moroc, now called The Americas (North, Central, South and the adjoining Islands). Through the reconstruction of historical writings (The Dark Period), these peoples and their lands have been renamed or "branded" to confuse the People, concerning the true geographical location of their Native lands, which are under European siege (Colonization). Moors are bound to the Continents of the Americas by Heritage and Birthright.

©1996 M.A.H.S., Amexem

AMEXEM

Northwest and Southwest Amexem along with the adjoining Islands- Land of the Moors, the descendants of the Ancient Moabites.
In these Contemporary times, Amexem is called America.
- Home -

These are some of the Names Amexem has been called:

Amexem

Mu

MRC

Moroc

Al Moroc

Northwest and Southwest Africa
North and South America.

America is the prefix of Amexem and the suffix of Africa = Ame-rica.

America = Al Moroc

American = Al Moroccan

Al Moroccan = Moorish American

Moors: The descendants of Moroccans and born in America. Al Moroccans.

Moorish Nation, Northwest Amexem

W A R N I N G !

Never lose focus that the judges of all the States and the politicians take their oaths of office on the Constitution of the United States of America, not on police policy code books or municipal rules and regulations. Their first obligation is to uphold the Supreme Law of the Land. Judges are authorized to see that the Law (Constitution) is upheld and enforced in all controversies - they must be impartial to the parties before the court. Judges are not prosecutors and violate the Law if they act as prosecutor from the bench. Their job is to referee between the parties who bring issues of abridgement or injury before the courts. In controversies between Moors and the foreign Christian Union Citizens, the Courts already have the lawfully prescribed venue for jurisdiction for such cases; it is called Consular Court. All the judges of every State must be held to the Law. If Moors are in the Union States incorporated courts - establish this fact on the record. If the court is not Consular or Constitutional with Treaties, it has no jurisdiction. Any attempt of adjudication on the part of any judge, prosecutor or officer of the court, in such controversies, is Color of Law, Color of Authority and fraudulent. Moors! Understand and recognize the Law and reason of your Nationality Identification Card, Constitution and Treaty. If you do not use the Law and stay focused on it, you will lose your right to self defense and become a cooperative agent in your own unlawful legal abuse! Gauge all actions of judges, prosecutors and politicians by the Constitution and Treaties - not by their personal attitudes or prejudices!

- Bro. Taj Tarik Bey, Son of a Widow, Amexem.

READING

There is a destructive and disorienting weakness in the descendants of the Moors in America - particularly those who cling to the labels and brands of negro, black, colored, etc.. The destructive weakness - in reference - is the commonly held tradition of NOT READING and the practice of substituting beliefs in place of knowledge. Beliefs and knowledge are not synonymous - both should be examined with an unbiased mind, before any firm position or action is taken with either. Intelligent examination of information, which is directed toward our people, should be accepted or rejected upon merit of its value and foundation in truth, not on prejudiced and partial attitudes, based on stereotypes or popular opinion. If one has the ability to read - one should employ the skill. Reading is a tool - use it. Ignorance is a major breeder of fear, slavery and abuse in any society. Intelligence should motivate us to eliminate and avoid ignorance at all costs!

- Bro. Taj Tarik Bey

Acknowledgements

Giving honor and respect to Prophet Noble Drew Ali (Sheik Sharif Abdul All) and all the work, literature, teachings and tools which he established; resurrected and reintroduced to the unconscious Moorish Nation of North America; bringing consciousness, light, love and the knowledge of the Moorish nationality and birthrights.

Giving honor to C. M. Bey for his Clocks of Destiny and Humanitarian Cosmology School of Science, Law and History, including extensive support literature. His works have taken Moorish Science to higher heights.

Giving honor and respect to all the Sisters and Brothers of the Moorish Nation, who are reaching out to, and working hard to raise the consciousness of our "civically dead" people.

Giving honor and respect to the hard working Sisters and Brothers of the Moors Order Of The Roundtable, who instruct, and produce literature for the benefit, development, progress and prosperity and Sovereign UNITY of the Moorish Nation.

Giving honor and respect to the following hard working and dedicated Moors for their support and assistance:

Bro. Taj Tarik Bey
Moors Order Of The Roundtable

Prophet Noble Drew Ali, (Shiek Sharif Abdul Ali), in the year 1913 A.D., corresponding to 1333 Moorish Calendar year, addressed the subjugated Moors of North America (Amexem), saying:

"COME ALL YE ASIATICS OF AMERICA AND HEAR THE TRUTH ABOUT YOUR NATIONALITY AND YOUR BIRTHRIGHTS. YOU ARE NOT NEGRO, BLACK, COLORED OR ETHIOPIAN. LEARN OF YOUR FOREFATHERS' ANCIENT AND DIVINE CREED, THAT YOU MAY LEARN TO LOVE, INSTEAD OF HATE. COME AND LINK YOURSELVES BACK WITH THE FAMILIES OF NATIONS".

Thousands responded to his, now infamous, call! Many took on the responsibility to assist the Prophet in this profound mission. The Nabi began to teach the people. Many of the people became Shieks, Shiekesses and teachers, and have worked hard and long to teach the people of themselves and to be themselves.

Many conscious Moorish Americans, are extremely adept and very well educated and polished in the knowledge of self, nationality and birthrights. However, many have fallen lax on the job of preparing and teaching the Moors of **Sovereign Power**, which is the birthright of all Moorish Americans, etc. This is vital in **STATUS** and **JURISDICTIONAL** issues where the **RIGHTS** of Moorish Americans have been, and still are being, unconstitutionally abridged by others who abuse government through pseudo-government positions and offices, and assumed **COLOR OF LAW** and **COLOR OF AUTHORITY** (Corporate entities posing as government).

In matters of our **LINK** with the **NATIONS OF THE EARTH**, including the **EUROPEAN** side of this **NATION**, we Moors must understand, "**AT LAW**," what our **Nationality** and birthrights **REALLY MEAN** in the **CIVIC ARENA** of **NATIONAL** and **INTERNATIONAL WORLD POLITICS**. The **ECONOMIES** of a nation - **CONSTITUTIONS**, **TREATIES**, **TAXATION**, **NATIONAL** and **INTERNATIONAL RELATIONS** AND **INTERESTS**, **LEGAL** AND **LAWFUL ISSUES**, etc., require a solid and applicable knowledge of **CIVICS**, the **SCIENCE** of **GOVERNMENT**. **WHO IS PREPARED AND/OR PREPARING OUR CHILDREN TO REPRESENT THE MOORISH NATION OF NORTH AMERICA (AMEXEM), AT LAW - as the Prophet instructed?**

SISTERS AND BROTHERS of the **MOORISH NATION... WE HAVE A LOT OF WORK TO DO!** Nevertheless, the "**Moorish Divine National Movement of the World**" is still strong, to this day, and growing in leaps and bounds! In due season, the Moors, and the Nations of the Earth, will be fully conscious and grateful of Shiek Shariff Abdul Ali's mission and works, and will **KNOW** that he, **NOBLE DREW ALI**, was indeed, who he said he was - **THE UNIVERSAL PROPHET - TO ALL HUMANITY - the NABI** for the Moorish Nation and the **PEOPLE OF THE EARTH!**

In order for Moorish Americans to link themselves back with the **FAMILIES OF NATIONS**, there must be active **CIVIC** instruction in the **SCIENCE OF GOVERNMENT**. **MOORS! DO YOUR JOB AND DUTY TO YOUR NATION! TEACH!** The **LAW**, and the **KEYS** of **CIVILIZATION** are in the hands of the **ASIATIC NATION!** **OBSERVE AND STUDY!**

The **Sovereignty** and **Constitution** of a nation is the political source of **LAW** and **UNITY**, in any **DE JURE** government. We are a **NATION!** Have we built on the foundation that Noble Drew Ali laid for us? We had better consider our **AFFAIRS**, if we

Introduction

are wise We must work for the UNITING of the MOORISH MOVEMENT, which includes all the fractured and divided tribes, groups and institutions.

The RIGHTS, IMMUNITIES and PROTECTIONS of any PEOPLE of a NATION, in relationship with EACH OTHER or with other NATIONS, is in their NATIONALITY, BIRTHRIGHTS, NATURAL SOVEREIGNTY, and their WRITTEN CONSTITUTION! If any man or woman claims to be a LEADER or REPRESENTATIVE of any body of people (NATION), then the NATIONAL SOVEREIGNTY of that particular people will always be the BASIS from which all POLITICAL, ECONOMIC and SOCIAL INTERCHANGE or speech is based; ON THEIR BEHALF! If this is NOT the case, SOMEONE is operating FRAUDULENTLY and with UNCLEAN HANDS! A THIEF is in the HOUSE! Protect your Sovereignty!

Any PUBLIC or PRIVATE MATTERS which affect the WELFARE of the PEOPLE - Moorish Americans, etc., should always be referred to and measured by the SOVEREIGN LAW OF THE LAND, the CONSTITUTION and TREATIES, in force! This is the PEOPLES' LAW. Any other "LAW" is FRAUD!

The Constitution and Treaties in force are the basis for Federal Laws. These tools are the standards for National and International RELATIONS and INTERCHANGE.

A major part of this Civic booklet focuses on C. M. Bey's Copyright Certificate Number AA 222141, which is registered in Washington, District of Columbia, Library of Congress, Copyright Office. It has been prepared for Moors Order Of The Roundtable study classes and those who desire to PROTECT the MOORISH NATION from UNLAWFUL ABUSES!

Trusting to assist the Moorish Nation, this booklet - one of a series - is presented with LOVE and sincere determination for the good. Since TRUTH needs no apology, FEAR NOT! The Moors must STUDY and learn to OPERATE in their SOVEREIGN CAPACITY - ergo - GREAT SEAL! Working for JUSTICE, in the LAND, FOR ALL MOORISH AMERICANS, etc..

United States Court for China, see chapter 3 of this title.

Commentary by Taj Tarik Bey: Moorish Americans should refer to the Treaty of Peace and Friendship of 1787, the Moorish Zodiac Great Seal Constitution and the United States of America Constitution, Article VI Special attention! Excerpts: AA 222141 - 142 and 143

Title 22 Chapter 2 Section 142

General jurisdiction in Criminal cases.

The officers mentioned in Section 141 of this title are fully empowered to arraign and try, in the manner provided for in this chapter, all citizens of the United States charged with offenses against the law, committed in such countries, respectively, and to sentence such offenders in the manner in this chapter authorized; and each of them is authorized to issue such processes as are suitable and necessary to carry this authority into execution. (R. S. § 4084.)

Title 22 Chapter 2 Section 143

General jurisdiction in Civil cases.

Such officers are also invested with all the judicial authority necessary to execute the provisions of such treaties, respectively, in regard to civil rights, whether of property or person; and they shall entertain jurisdiction in matters of contract, at the port where, or nearest to which, it was to be executed, and in all other matters, at the port where, or nearest to which the damage complained of was sustained, provided such port be one of the ports at which the United States are represented by consuls. Such jurisdiction shall embrace all controversies between citizens of the United States, or others, provided for by such treaties, respectively. (R. S. § 4085.)

Constitution of the United States of America
All debts contracted and engagements entered into, before the adoption of this Constitution, shall be as valid against the United States under this Constitution, as under the Confederation.

This Constitution, and the laws of the United States which shall be made in pursuance thereof; and all treaties made, or which shall be made, under the authority of the United States, shall be the supreme law of the land; and the judges in every state shall be bound thereby, any thing in the Constitution or the laws of any state to the contrary notwithstanding.

The senators and representatives before mentioned, and the members of the several state legislatures, and all executive and judicial officers, both of the United States and the several states, shall be bound by oath or affirmation, to support this Constitution; but no religious test shall ever be required as a qualification to any office or public trust under the United States.

Attention!

Always keep in mind, **Status, Jurisdiction, Proper Venue, Constitutions and Treaties.** Use the Law.

The Constitution of The United States is The Law Of The Land, with all Treaties In Force. These are the instruments of law used to gauge and adjudicate any matters of violation, controversy or infringement between the Moors and the foreign European Christians.

The United States has a dual National Seal (Two Sides to The One Seal.)

A. The Great Seal of The United

States.....Moors; The Great Pyramid on the back of the U.S. dollar bill is the emblem of the Asiatic Moabite/Moorish Nation.....The Ancient Ones. The Master Builders of Civilization; Mothers and Fathers of the Human Family. The KEY word to distinguish the two Seals is OF.

B. The Seal of The United States of America....

Europeans/Colonists; The Eagle - wings spread - with Hexalpha, the Insignia of the Moorish Nation (Dual Trine/Solomon's Shield) crowning its head. Hexalpha represents the Red Fez of The Moors, the Tiara Crown or Tarbush - (Sovereign Authority).

The Sun never rises or sets on the Roman Empire, simply because they, the Romans, are in jurisdictional and resource possession (colonization) of the fallen Moorish Empire - the Al Morocs (Americas); the land of the Moors. The Great Masonic Secret is the loss of the Moorish Nations' consciousness, Heritage and Birthrights. This explains the truth behind the duality of the United States Great Seal. Now Rome wears the Royal Crown - the Fez. Thus, the source of social strife and unrest!

Aquila: Moorish Latin, meaning Eagle. Aquila is a northern constellation in the Milky Way, between Cygnus and Sagittarius, where the star Altair resides; the Eagle. The Eagle, as displayed is the Coat of Arms for the European side of the Nation. It has Hexalpha over its head, in a Crown of glory. Hexalpha is the Insignia of the Ancient Moabite/Moorish Nation. The Zodiac - expressed by the Moorish Red Fez.

Out of the fall (ashes) of the Moorish Empire, the Phoenix bird took flight. Aquila rose (Rosa Crux) with an olive branch of 13 leaves with 13 berries in the right talon, and in the left talon, 13 arrows, with feathers numbering 13.

This close-up view reveals 13 stars arranged to form Hexalpha. This symbolizes Colonial rule in the Moorish Province of FEZ - North Gate.

Compare Hexalpha, as shown, with the 13 star arrangement above. The best system of hiding something from the masses is to put it right under their noses. The masses still cannot see, for lack of observation.

The Colonial Powers rule the Moorish Empire (The Americas), with the Moors own Science of Astrology, which Moors traded away, for Roman idol god worship-MAN-HAT-TAH, for a string of BEADS. They literally traded places. Now Rome rules the Western Hemisphere. All power wielding politicians, industrialists, religious leaders, judges etc., cherish the Moorish Fez, having a Fez of their own (Masons), and keeping the SECRET. The PYRAMID (Great Seal) and the FEZ are the most important symbols in Masonry. **Master Mason = Mothers' Son.**

The NUMBER 13, in Masonry is both the $1 + 3 = 4$ corners of the PYRAMID, but also the 13 cycles of LUNA, the MOON, and of most importance, the 13 cycles of WOMAN, herself - The WIDOW. Droit.

Moorish Americans (Al Moroccans) who have become conscious of the true history and hidden science/culture in the Americas (Al Morocs), will usually become **civically active** and pursue their **Moorish Science and Birthrights**. For those who do, this information is a **key** to bringing all parties to the **law of the land**, (Constitutions and Treaty) with proper jurisdiction and proper venue. Moors, Initiates and Doctors of Law, review these facts. **C. M. Bey's (3) copyright certificates** - referred to in this article - have the following registration numbers:

1. Certificate Registration number AA 77869

March 23, 1948 A.D., corresponding to Moorish Calendar year 1368;
Copyright owner C.M. Bey's **Clock of Destiny** - March 25, 1948
A.D., -M.C. 1368.

2. Certificate Registration number AA 209316

March 31, 1952 A.D., M.C. 1372; **Masonry- Astrology & History & Geography- Clock of Destiny II** (a revised edition of a previously published book). **Clock of Destiny I**.

3. Certificate Registration number AA 222141

September 8, 1952 A.D., M.C. 1372. **Clock of Destiny- Moorish American (Al Moroccan) Nationality Card of Identification with Zodiac Constitution**. This Certificate - AA 222141- is the focus of this civic examination; for it is, without doubt, affirming the relationship -proper venue **AT LAW-** between the **Moors, the Franks and other foreign Christian Nations**.

**United States Code of Laws of a General and Permanent Character
- Title 22 Chapter 2 Consular Courts - general information:**

1. **Consul:** A Wazir (officer) Consul or **Minister** representative of a nation who is appointed or assigned the duty of the overseer of the nations' relationship with another nation concerning the citizens, mercantile, economics, etc. The Consul or Consuls generally report to a higher Wazir (Officer/Minister) who is called Consul General.

Consular Courts

Consular Courts generally deal with **Civil Cases** and in some circumstances, having Criminal jurisdiction. Consular Courts are held by Consuls of one nation/country in the territory or jurisdiction of another nation/country. These courts are operated under the authority of Treaties, which are **Constitutionally** enforced. All parties must be lawfully identified, with documented proof of Nationality and Citizenship and documented proof of Sovereign Authority to enforce the law (Constitution) of the People. Do not go beyond this paragraph if you do not understand it! This is your **KEY!**

The descendants of **Moroccans** born in the Americas (The Moorish Americans) should refer to the **Treaty of Peace and Friendship of 1787**, between **Morocco** and the **United States of America**. Remember, the **European Christians** are foreigners - settled in your land! This is your home!

As Consular Courts were abolished in 1956 A.D. 1376 Moorish Calendar year, all issues between the Moors and European Christians, being of a Treaty Nature are obviously of a Federal jurisdiction. The States can not make treaties and therefore, have no jurisdiction. A change of venue should be automatically recognized by inferior courts. Any jurisdiction claimed without mutual agreement within the prescribed proper forum, is void of Law. Federal and State officials must set up Consular Courts to have lawful jurisdiction in Moorish Affairs.

Where provisions are not made to address Foreign Relations and Intercourse in a Consular Court, as prescribed by law, then no jurisdiction exists! A Court of General Sessions, Congressionally sanctioned, in accord with the National Constitutions and Treaties, with Consulars and officials representing both nations/nationals, present and In Propria Persona, would be a proper jurisdiction. All parties would operate by de jure Constitutional and Treaty law.

9
If there is no proper jurisdiction or venue, then no lawful or legal trial can be held, therefore, all rights revert back to the People (Self-government with Sovereign Authority). This is where Certificate AA 222141 clearly proves its purpose. When government officials supersede their jurisdiction, or deny lawful due process, redress, recourse and remedy, "At Law", then they are the criminals, and are traitors to the Constitution and Treaty to which they are bound by Law and from whence they derive any Authority at all! This is where your written Zodiac Constitution comes into effect - use it!

The Treaty of 1787 is the Law of the Land just as the Constitution and is binding on all the judges of every State. Look at them as one document, as far as LAW and AUTHORITY is concerned.

Moors are NOT citizens of the Union States Society, but are the People of the Continental United States, being PART and PARCEL of the government to which the Union of States are obligated. The Constitutions of the Two Nations, in conjunction with Treaties, are the working tools for adjudication in jurisdictional arguments, procedures and venue; Keep in mind, the DUALITY of the Great Seal of the United States.

With Moors, any non-federal sanctioned court (INFERIOR) is improper jurisdiction. If a court is not operating with Constitutional Law and Treaty, it is Color of Law and fraudulent. Any colorable courts are improper and have no jurisdiction, although most all States' Officers KNOWINGLY operate with Color of Authority. Any colorable or negative law (Non Organic Constitution) is in blatant violation of the Constitution and the Treaty of Peace and Friendship of 1787. Moors! When dealing with legal or lawful matters, always be aware of what law, court or venue is in operation, and what law its officers are claiming authority by; the Nation they represent and knowing the difference! Always challenge the courts' jurisdiction!

When or if Moors are in the courts of the United States of America, for ANY REASON, the courts and their officers should be made aware of their obligation to the Constitution, and the Treaty of 1787, for the record! All Moorish Americans should refer to their Zodiac Constitution; remembering that they are NOT the property wards (slaves) of the States, and NOT negro, black, colored, etc., or any other brand names that allude to slavery.

As National Sovereign People, the Moors are entitled to lawful due process At law. The Constitutions of all parties involved should be presented into evidence for the record - to protect and preserve the rights of the people. The Constitutions and Treaty Law is the Sovereign Law, where any DE JURE claimed authority is derived.

The rights of all Peoples (citizens) of a Nation are protected by the WRITTEN CONSTITUTION of that particular nation, (not by privileges). The Peoples' Sovereignty is the SOURCE of the Constitution and Treaty Law. Constitutional law - the Peoples' combined Sovereign Power of Authority - is enforced by their National representatives, through government agencies and sub-agencies. All lawful agencies of government must have a Delegation of Authority Order from the Congress - or the House of Parliament (Majlis) to the Djema' a (Council of Elders) - the Representative ruling body of the two nations in one. Demand all agency officials to produce their Delegation of Authority (D.O.A.) when they put demands on you.

Lawful government does not and cannot mandate anything on the people. Government authority and power is limited by the Constitution. Governments are empowered to PROTECT the rights of the people, NOT use authority (sovereignty) allotted them through the Constitution, to violate the same. This is why Moors have a written Constitution, for their protection in national and international affairs; linking themselves back with the families of nations.

Color of Law (artificial) used to control negro, black and colored people (artificial). Keep in mind, the political, social and civic danger of using and alluding to the Union States' brand names of negro, black, colored, etc.. The European surnames, which denote possession, such as Smith, Jones, Johnson, etc., must be returned to the European nations. These names are not of Moorish Asiatic Parentage. Claim your own Moorish Names and Nationality, at all times. De facto government officials and the States' judges, prosecutors and State agencies operate with Color of Law and anti-Constitutional statutes and ordinances, to extract (extort) finance from the unsuspecting State wards (chattel).

Any branch of government, government agency/agencies, person or persons employed by such agencies, who operate beyond its or their jurisdiction or Delegation Of Authority, is in violation of the Constitution and the Treaty. Officials, using Color of Authority, violate the people/citizen, thus, commit a criminal offense. In such instances, the ultra vires statutes do not protect the colorable officials or employees.

Contracted agencies. (non - government) municipalities, judges, prosecutors, person or persons, clerks, etc., or others, employed by such agencies, municipalities, etc., are bound to uphold and support the Constitution.

The Bar Association

Remember this! The States' **JUDGES** are members of the Bar Association. The States' **PROSECUTORS** are members of the Bar Association. The States' **LAWYERS** and **ATTORNEYS** are members of the Bar Association. The States' **JUDGES** methodically use **THREATS**, **FEAR** and **COERCION** to **FORCE** people to **HIRE** their fellow Bar Association **LAWYERS** and **ATTORNEYS**. **Question!** For whom are the States' **JUDGES** working? Whose **AGENTS** are they - the Bar Association's, or the Peoples'? The Bar Association is **NOT** the **LAW!** The **Constitution** is the Peoples' Law!!! Study the **LAW** and **USE** the **LAW!** If you are wise, you will claim your **Moorish Nationality** and your **Sovereign rights**; wearing them like a warm coat in the winter season! Use your **Moorish Great Seal Zodiac Constitution!**

11 The States' Judges, prosecutors and Lawyers are not the keepers or protectors of Constitutional Law. They do not represent the people! They are of a private guild, that actually subverts the Constitution, and inject themselves as the Law! They are all members of a private, non-government exclusive club - acting as if they are the Law!. This is a clear case of conflict of interest! Can such operatives render a fair trial to anyone? Definitely not to a Moor! They have no lawful jurisdiction!

Always question any person who demands finance or who makes demands or claims authority over you! Request written proof! (a written averment of jurisdiction). In many and most cases, that person is a **THIEF**, exceeding her/his **Delegation Order of Authority and/or jurisdiction, at your expense**. These violations against the people are the daily norm and these guild members are absolutely aware of their **unconstitutional** actions. They seize advantage over the ignorant masses, whom the States' multiple institutions have mis-cultivated. They are in collusion. This is a **KEY** to the subjugation of those with no **Nationality** or **Sovereign** consciousness.

This **PROFITS** such people, through the use of government (the States') and pseudo- government agencies, to have direct and indirect **negative control** over the ignorant and unsuspecting masses, their **FAMILIES** and their **FINANCE**. Of most favored **TARGET** status, is the States' **chattel- bearing** the brands - negroes, blacks, colored, etc. They have no Constitution, no National Flag no National Seal and no consciousness of Sovereignty- therefore, no LAWFUL Constitutional protection or National recognition. This is the hidden bureaucratic **slavery**, in **GUISE**, which is often, and with calculation, mislabeled and promoted as **prejudice** or **racism**, by the States and their opportunistic leaders, appointed to oversee the poor. The money-making, **SOVEREIGNTY** stealing **RACE GAME** continues- but is now **EXPOSED!**

Mummers

The FALL of the Moorish government in the "NORTH GATE"- (North America), is celebrated yearly with the Thanksgiving Holiday and the Parade of the MUMMERS, in the old Moorish Capital City of Philadelphia, Pennsylvania. The Mummers Parade is the "CRUSADE CRUX VICTORY MARCH" and was traditionally performed with the mummers' faces painted black - this was the **MOCKING** of the Moors! The popular race, color and prejudice arguments are deliberate; and divert the true issue, which is the Moorish **SOVEREIGNTY** and the truth about the inheritors of the **LAND** - the people **LABELLED** and **BRANDED**, negro, black, colored, etc. Even in this age of enlightenment and with the availability of exposing literature, the **CHATTEL** think that the European surnames that they are branded with, are their own national descent names.

Secretly using the **The Black Codes of 1724**, the States force their **chattel** to incorporate themselves and their property with the States, by misrepresentation of authority, threat and coercion. The **RULE** of The **Colonial States** is to use the force of **Color of Law** and **Color of Authority**. Government agencies and sub-agencies, force their **chattel** into costly **non-mutual contracts** with the States' licensed and sanctioned private corporations. This is in direct conflict with **Constitutional Law** or any sovereign authority coming from the people. Moors! Always refer to your written Moorish Zodiac Great Seal Constitution for your protection against the foreign aliens, and their **Color of Law** and **Color of Authority**.

The Trick

BEWARE! BEWARE! BEWARE of the States' confidence men (agents), who win the confidence of the people, because they say they are **BLACK! NEGRO**, or **COLORED**, claiming themselves as your "CHOSEN" **SOVEREIGN** leaders! These **LABELS** are the first **TRAPS!** They steal your **BIRTHRIGHTS** and your **SOVEREIGNTY** for the benefit of the **CORPORATE STATES!** Wards and Slaves - the **INFAMOUS CHATTEL BRANDS!** no such **NATIONS** or **PEOPLE** ever existed and are not **TIED** or **CONNECTED** to the **HUMAN FAMILY!** Negro is the **black chimpanzee monkey** (beast) of the Amazon river valley in South Africa (America). This primate (monkey) is **NEGRO JARAVA ARABO**, and is father to the **Albion** (albino) strain of the **mixed human and monkey tribes - Jacob (Yacub)**. The genetic experimental **GRAFT** and missing link! Negro and black are **synonymous**.

Governments deal with **LAW**, not **EMOTIONS!** do not "feel as though" the Law should be this, that or the other! The Law of the Land is **NOT** that complicated; it is called a **Constitution!** Read it! If you don't have a **Nationality**, **Constitution**, **National Flag**, **National Seal**, and a knowledge of **Sovereignty**, then get used to your enslavement, because, in the **CIVIC ARENA** of world politics, you are a **voluntary slave!** Declare and defend your Moorish Nationality! Nationality is the universal bonding force of **UNITY** for a people.

THE GREAT PYRAMID "GREAT SEAL" AND "HEXALPHA"

A L I

The Great Pyramid "Great Seal" is the Emblem of the Moorish Nation.

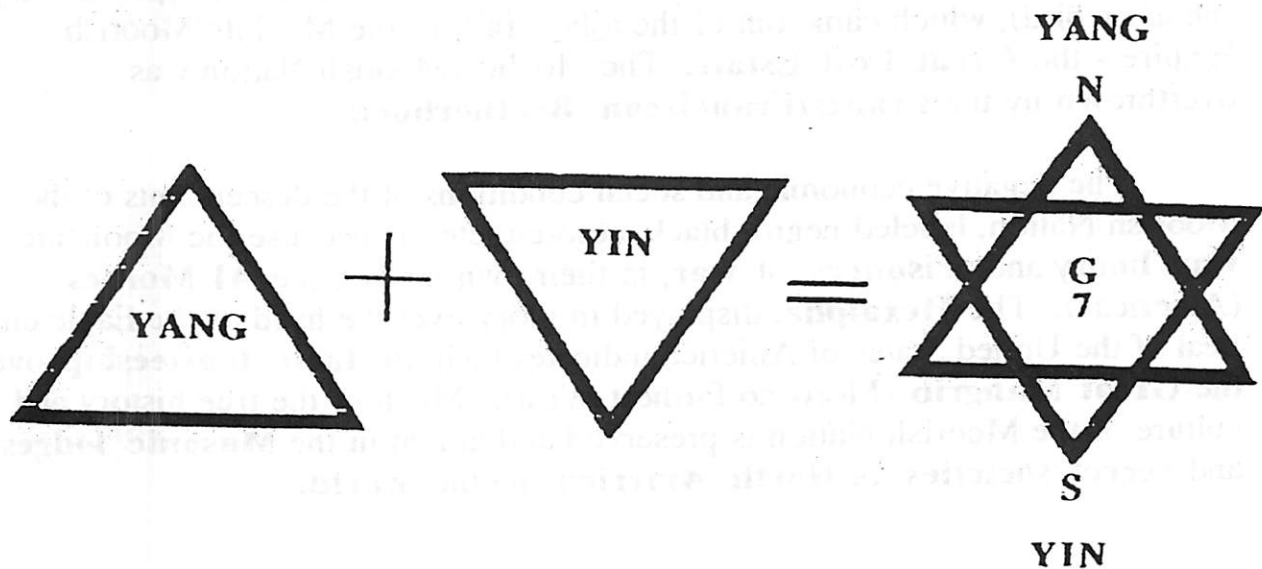

"Hexalpha" is the Insignia of the Moorish Nation.

The symbol of the Eye is Allah. The symbol of the Pyramid is Self - I AM - the first MONAD MANIFEST in flesh and in Balance. The first People of the Earth. The Moabite/Moorish Nation, Asiatics and Moslems. Hexalpha, the dual trine, represents the Law of Duality - as above, so below - the Spiritual and the Physical, the MOTHER and the SON. Hexalpha is sometimes displayed within the Fertile Crescent - Mother and Nation.

Hexalpha (the dual trines) also represent the centrifugal and centripetal forces in nature, called yin and yang.

I

SELF

LAW

AM

MASTER

These are the **Five Universal Symbols Of Islam** - The 12 signs of the **Zodiac**, the **Science of the Moorish Nation Of The Order Of Islam- North Gate, (North America) founders of Civilization.**

Moorish Nationals, Initiates and Doctors of Law, in general, should be cognizant of the fact that the **Preamble of the Constitution of the United States of America has two (2) Entities (United States).**

The two Entities referred to in the **Preamble** are; the first (1st) Entity, **The United States** - symbolized by the **Great Seal** and the second (2nd) Entity, the **United States of America** - symbolized by the **Eagle in Flight** (phoenix bird), which came out of the **ashes** (fall) of the **Moabite/Moorish Empire** - the **Great Lost Estate**. The **Moabite/Moorish Nation** was overthrown by the **Francs/Franciscan Brotherhood**.

The negative economic and social conditions of the descendants of the **Moorish Nation**, labeled **negro, black, colored, etc.**, is because the **Moors** are **war booty and prisoners of war**, in their own lands... the **Al Morocs (Americas)**. The **Hexalpha**, displayed in glory over the head of the **Eagle** on the **Seal of the United States of America** indicates their **de facto trusteeship** over the **Great Mahgrib (Morocco farthest West)**. Much of the true history and culture of the **Moorish Nation** is preserved and taught in the **Masonic lodges and secret societies** of **North America and the world**.

1. **We, the People of the United States** - are the People of the Land: the Indigenous Sovereign People of the Al Morocs (Americas), who inhabited the Northwestern and Southwestern Shores of Africa (Al Moroc). The Americas run from Alaska to Argentina (Patagonia), including the adjoining Islands. These are the descendants of the Ancient Moabites - the Moors. The Great Seal is the Emblem of the Moorish Nation. These peoples, from the North to the South, are the Al Moroccans (the Americans) - North, South and Central. This is the 1st party (entity) in the Preamble of the Constitution.

Thus:

We the People of the United States..... Do ordain and establish this Constitution for the United States of America.

Therefore:

2. The United States of America is the juristic act (guild of European Companies) They are the Chartered 2nd party (entity), in a political state of union (unity). The 13 Colonies, with Government Ordinance Departments, or G.O.D. This established the basis for Peace and Law (Treaties) between the Albions (English/Anglis) and the Indigenous Moors. The Articles of Confederation of 1781 to 1789 is the Charter of the United States of America. The Treaty of Peace and Friendship of 1787, unites the two peoples in a dually involved government. The adoption of the Constitution of the United States of America of 1789, is derived from Moorish Law - the late Moorish Government, setting the course of the subsequent history in these lands. This is why the United States has two (2) Seals. The Pyramid Great Seal is the Original United States Confederation Republic of the Moorish Empire. The Moors were sometimes referred to in United States of America's history as "Brutish". The Brutish is again referred to as the "British" or the Red Coats. The Moorish Flag is Red with a five pointed green star in the center. The Al Moroccan United States flag is the Continental flag. This flag is red, with a green Cedar Pine tree in a white canton. It was cut down after the Moorish Flag (1774 to 1777). In 1789, George Washington was elected to the Supreme Executive Authority in the Moorish Palace, now called the White House. The Continental Flag is also called the Treaty Flag of the Confederation Republic Continental United States. Another well kept Masonic Secret.

The opposite side of the seal - The Flying Eagle is the Seal of the Colony States, the United States of the Union - Estados Unidos or the United States of America, shown today as the central part of the North Continent of the Americas. It is bordered by Canada at the north, and bordered at the south, by Mexico. These are the two United States: The First United States are the Indigenous Peoples of birthright Heritage. The second United States are the descendants of Europe, based on the resulting Peace Treaty agreements made after many arduous wars. This strange union is referred to as the Melting Pot. Two opposite nations, blending and agreeing to mutually live in peace, with a Treaty of Peace to address jurisdictional affairs. The Europeans -English, Irish, Germans, French, Scottish and the Dutch (Holland) were allowed to settle the 13 colonies - chartered by the Brutish Moors.

This is the Preamble to the Constitution of the United States of America

Preamble

We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America.

The Preamble to the Constitution of the United States of America shows that the origin comes from a pre - existing Nation. This is the secret of Nature's law and Nature's God, symbolized in the two seals of the one Great Seal of the United States (The Continental United States of the Indigenous Moorish Nation). Nature's Law and Nature's God is mentioned in the Declaration of Independence.

The Great Seal of the United States
MOABITES / MOORS
(Federal)

The seal of the United States of America
ALBIONS / EUROPEANS
(Colonies / States)

O N E

U N I O N

Union: a uniting or connecting of two or more into one. This can represent chemicals, principles or peoples, an example in simple form is $1 + 1 = 2$. In the secret history of the West, the two Seals of the United States represent the Union between the Moorish Moslems and Europeans Christians, into a government based on the Ancient and Illustrious Principles of the Five pointed Star - Love, Truth, Peace, Freedom and Justice, as established in the Ancient Civilization of Mu - the Ancient Moabites Law of Peace. These Principles are founded in Nature's Law and Nature's God, mentioned in the Unanimous Declaration of Independence. Nature's Law is sometimes referred to as the Wheels in the sky - The Great Zodiac Constellations - Universal Law of Peace.

Therefore, while the present government of the United States, under European Colony/State domination and control, may take on a **de facto** posture, the ruling hierarchy - politicians, religionists and industrialists are well aware of the **Mountain Top (Pyramid)** with the all seeing **Eye (Allah)**. This is called **Mohammed's Mountain, The Great Seal**. The two (2) Seals symbolize the true history and Astrologically prophesied destiny of **The Great Melting Pot- The United States - the Al Morocs (Americas)**. The exposure of these truths, to the subjugated and ignorant Masses is called the **New Order**. When the **Secrets** are revealed, all false institutions begin to fall apart and lose their power and influence over the people.

The **New Order** brings **Light** to the North, which was kept in darkness, (ignorance and slavery) by the **Conquerors of Civilization - the Albion Franciscan Brotherhood of European Nations**.

G.O.D. (God)

As mentioned earlier in this text, **G.O.D.**, as represented on the fiat currency (unconstitutional federal reserve notes) distributed in the United States of America, means **Government Ordinance Departments**. **G.O.D.** is an acronym.

The phrase **In God We Trust** means We trust in the Ordinances of our Government Departments, to support and preserve the **Sovereignty** and rights of the people, in accord with the **Articles of Confederation** and the **Constitution**.

The Government Ordinance Departments consist of the Executive, Judicial and Legislative branches of government in the juristic **United States of America**; patterned after the **Continental United States Republic of the Indigenous Moors**.

Remember, at all times, when, or if, there is social unrest, citizen's disputes, rights abuses, etc., **Constitutions** are the **Law**. If any government official/s or State assigned Leader/s or person/s claim leadership authority on behalf of any **PEOPLE**, and do not include **Sovereignty, Constitutional Law, rights and immunities** in their programs and conversations- **BEWARE-** you are dealing with a thief, a deceiver, and one who is operating for a foreign principal, using **Color of Law**. Study the **Constitution** and the **Treaties** that are engaged into, by the **Moorish Nation** and the **United States of America Companies** if a controversy or abridgement of **Law** or rights may arise.

The word **God** also means anything that is worshiped, adored or praised. It should never be equated in singular form, with or as the **Divine Creator**, except conjoined with a **Name**. As an example: **Almighty God, God, the Creator, etc.** - upon clear qualification. God is a generic term, and can apply to almost anything or anyone. as a single word.

Indians

Indian is a code name used by the European/Albion conquerors of Civilization in the West (Maghrib), applied to the mixed indigenous Moorish Tribes and the Anglis/English. Though it may be hard for many State educated people to believe - India is on the Continent of Asia. The Al Morocs (Americas) are not India.

The word **Indian** is derived from the word **Hindu** or **Hindustan** of the East. The Europeans favored the name **Indians** because the Indigenous Peoples of the Americas (Al Morocs) were clearly related by parentage and culture to the Asiatics in the East. The word **India** also refers to the word **indigo**, which is a black berry of the **indigo plant**, used by the Moors, from ancient time to the present. The dye is used for clothing; Jelabas, turbans and the black tassels, which adorn the **cherry red Fez**, the National Headdress.

*The Flag of the Al Moroccans/
Moors (Old Glory) is :*

A Cherry Red Flag with a Five - Pointed Green Star in the Center. The proverbial Cherry Tree George Washington chopped down in 1774.

*The Flag of the Al Moroccan
Continental Confederation is:*

A Red Flag with a white canton, displaying a Green Cedar Pine in the Center of the canton. Our Al Moroccan Continental flag was also taken down in 1774.

*The Flag of the Colonial States
of the Union (representing the
English, Irish, Germans, French,
Scottish and the Dutch (Holland)
Companies/Corporations/Guilds is:*

A flag of 7 red stripes and 6 white stripes, totaling 13. It has a blue canton, containing stars, which symbolize the States. The stars are white. It was officially adopted in 1932.

Hexalpha - the dual trine is the geometric representation of the Moabite/Moorish Fez. The symbolic math is thus: 3 angles and 3 planes + 3 angles and 3 planes - together - the Spirit and the Flesh, as it is above, so shall it be below. The four 3's are: 3 in the North: 3 in the East: 3 in the South and 3 in the West. These are the twelve (12) houses of the Zodiac. Each plane of the equilateral pyramid represents 120 degrees. $3 \times 120 = 360$. $2 \times 360 = 720$. $7 + 2 + 0 = 9 = \text{WOMAN}$. The Moabite/Moorish Woman has given a crown of knowledge and wisdom to her Sons, within the span of 9 months, in the most illuminated school of the universe - Her Womb. The Fez symbolizes the above and the Zodiac.

Now, due to war, Peace Treaties, political subversion and social engineering, the European Nations, through usurpation, have economic, social and juristic control over the Moorish Provinces (America). Hexalpha above the head of the Flying Eagle on the European side of the dual United States Seal symbolizes the Moorish Fez and is indicative of the enslavement of the Moors, and the burial of Hiram Abiff (Unconscious Moors), in the dark Corner of His own Temple/mind (lack of knowledge of Self and History and Geography).

The Moors of the Maghrib, have been made illiterate by force of Colorable Laws, through political and religious institutions - established and supported by the Colonies/States and agents. Agents are bound to the European guilds, groomed and chosen from among the Moorish descendants, labeled negro, black and colored and given the mission of the overseer. The "agents" job is to encourage the use of State adhesion contracts and State religion. This reinforces the fraud of The Black Codes of 1724.

The promotion of artificial names, such as *Black Nation, Negro Nation, Colored Nation, African-American Nation, West Indian Nation, etc.*, are fraudulent, as no such nations exist or ever existed. Anyone using such tags, which are substitutes for a National Name, is proclaiming to the world that they are not part of the human family, but are Union States wards, whether done consciously or through ignorance, the result is the same - no rights, protections or recognition by National or International Nations and Communities. At Law.

These devoid of parentage/pedigree words are code words to describe the Chattel property of the Dutch and Anglis Masters. The false names separate the unconscious Moors, labeled black, negro, colored, Afro, etc., from the Human Family and the Nations of the Earth. This renders them as State property.

Hiram - (High Ram) - Aries, the Ram

Hiram has more meaning than what has been told in Masonic allegory. Indeed. Hiram was a Master builder who was robbed, hit in the head and buried in the corner of the Temple; but let's take another view of this.

Hiram is, in fact, relating to the defeated and unconscious Moors of North America (Al Moroc), known Masonically as the North Gate. The act of teaching and informing the ignorant and unconscious (mentally dead) Moors is called raising.

Aries, the Ram, is the first sign of the Zodiac- the Law of the Ancient Moabites/Moors. Aries is the first sign (month/moon) of the true New Year in the Northern Hemisphere of the Americas. This brings in the Spring Season and is called the Resurrection of Life in the dark North.

The sign of Aries is indicated on the Mundane Cross as the position of "9" of the Zodiac clock. Aries the Ram is the third (3rd) Month (moon) of the Solar year. Aries is one of the four Cardinal points of the Zodiac and comes in on March 21 of every year. This is known from ancient to modern times as the Vernal Equinox; March, the 3rd month; 21 is 2+1=3. This is the secret of the 33 degrees- the symbol of the Great Pyramid. The resurrection of the Science of the Ancient Moorish Nation, in the Aquarian age. The Zodiac is the origin of both Religion and Science. Know your Law, know your truth, and begin freeing yourself from false doctrines and unlawful unconstitutional government.

The Symbol of The Four Cardinal Points of the Zodiac; The Mundane Cross. (Earth)

Proper and Improper Venue * Proper and Color of Law Courts
Venue is the particular geographical area in which a court, with proper jurisdiction existing, may hear and/or determine a case. Venue deals with locality of suit and the question of which court or courts possess proper jurisdiction, power or authority to hear or address a suit, issue or matter. Geography, relative in Jurisdictional issues is key to understanding the application of Law.

All Moorish Americans (Al Moroccans) should be well grounded in a knowledge of self, the Inquisition and the history of the Fall of the Moorish Empire, in order to understand the political system we now live under. The government Officials and Legislators are well aware of the dual nature of the United States and the Seals. Moors have a responsibility to be cognizant of their true Sovereign Status. Moorish Americans (Al Moroccans) have their

Law and Europeans have their Law; both, in de jure Principle, (At Law) work in harmony through Constitution and Treaty. Remember! The Constitution of the United States of America comes down from the Zodiac Great Seal Constitution of the Moorish Nation.

The Status of the Moors and the status of Europeans is SEPARATE, BUT EQUAL, in accord with "just" Law (Constitution). If one forgets this fact, then one is subject to improper venue and improper jurisdiction courts (organized corporate thieves) and COLORABLE LAWS. This is the price that has been paid, by many Moors for holding on to the BRANDS and LABELS of negro, black, colored, Smith, Jones, Johnson, etc. There is no Sovereign Authority with anyone who is not in one's proper person. A government official or court in which you have no Constitutional or Treaty Law connection, has no Sovereign Law, through citizens' agreement (Constitutional Contract). Such persons or courts are unconstitutional and a fraud. Sovereignty and your Constitution is relative and must never to be separated or ignored.

If the Seal and Flag of your Nation is not in the Court, your Law and Constitution is not represented; therefore you have no protection in that court. If you are in love with slavery and injustice, ignore this statement.

21

The two (2) United States have a conjoined destiny and have Constitutions and Treaties to govern the People under specified conditions. The Americas (Al Morocs) have been called the Melting Pot because of this union and mix of the Nation. The two United States, conjoined, are part and parcel of One. Therefore, all the judges of every territory, province or State, are bound by the Constitution and Treaties and are well aware of the Status of the Moors. The Constitution and Treaties obligate the European side of the nation to uphold the Law of the Land. With proper procedure and Law in any court or suit case, Status determines what Law is operative and how it is applied. Proper Jurisdiction and venue is determined based on that "Status" - either Moorish Moslem Law or the Laws governing European Christians and their negro/black/colored property slaves who bare their surnames. Constitutions and Treaties resolve any confusion of Status, Jurisdiction and Proper Venue.

Moors in Court

If a Moorish American (Al Moroccan) is tried in any United States courts without Status and Constitutions entered into evidence, then proceedings are already unlawful. Constitutions and Treaties limit the Authority of judges, and determine whether or not a court has jurisdiction in a particular case. If a Union States judge adjudicates a case against a Moor, outside of Constitutional Law, then that citizen's rights have already been violated and abridged. Review Article VI of the United States of America Constitution and the Code of Laws of the United States of America of a General and Permanent Character - Title 22, Chapter 2, Section 141). Every judge in every State is bound by oath to uphold the Constitution with all Treaties in force.

The Sun Rams the earth - resurrecting life in the Northern Hemisphere after three seasons in the tomb. Hiram is the Zodiac Law of the Moabite/Moorish Nation. Aries - The Ram ♈ on High (uplifted). The Europeans have been ruling the West with Moorish Law - Astrology. There shall be no more secrets.

Fez

The National Headdress of the Moorish Asiatic Nation, founders of Civilization. 360 degree Master Mason, Son of Woman. The Fez is the Crown of Light, Authority and Rule, the Geometric Zodiac. The Fez has no brim and is circular as the Sun (Son). The Fez belongs to:

Ali: The bringer of Law. Most Noble and exalted. (Ethereal)

EI: of the Cosmos - Law givers of the Elohim. (North Gate)

Bey: Governors of the land in Moorish Civilization. O'bey and enforce Elohim Law. (North Gate)

Dey: of the Degrees - of the Eternal Zodiac. (South Gate)

Al: of the Law, descendant Governors.

Peregrinus Headdress (Pilgrim)

The Occidental (Albion) invading tribes adopted a form of the Fez; blackened it, and added a brim. The Moors named them, Peregrinus. These tribes of English (Anglis) foreigners, wandered the north-western territories of the North Gate (North America); stealing, murdering and plundering. In reconstructed history, these aliens are referred to as Pilgrims - a corruption of the Latin word Peregrinus. Peregrine is Moorish Latin for a wanderer or Traveler from a foreign land. One can see the influence of the Ancient Moabite/Moorish Nations' Fez in the headdress of the Peregrinus (Pilgrims).

Mortar Board

The Headdress worn in the West, as a symbol of scientific and scholarly ascension in degrees of knowledge. The Mortar board (Cap) is squared above the Crown, and means a Master Mason, using the tools of the Master Builder-Character building. The Mortar Board is an elementary symbol, mathematically immulating the Fez: 4 corners of 90 degrees; $4 \times 90 = 360$ degrees; $3 + 6 + 0 = 9$, representing the Moabite Woman - (Womb - man). The crown of wisdom and civilization, clearly of Moorish Origin. The school cycles are traditionally divided into 4 levels of 3 parts: $4 \times 3 = 12$ - the Zodiac; $4 + 3 = 7$, meaning knowledge of Circle 7 Cosmology-Moorish Science. Elohim.

Any court dealing with issues between the Moorish Americans and the States should be addressed in a Consular Court. A Court of General Sessions may suffice, if mutually agreed upon. Any other court is improper venue, due to the de facto posture maintained in the United States courts by the States' officers - making them Void of Law and unconstitutional. If the presiding judges take on a Title of Honor and/or is not appointed by Congress, (see Article III, Sections 1 and 2 of the United States Constitution) he or she is void At law and is, therefore, colorable.

All Moorish Americans must become familiar with National and International Law. The link for World Court and International Law is the United Nations. Keep abreast of all Indigenous Peoples' issues. Unite and be prepared to take abridgements against the Moorish Nation to the World Community; particularly the fraudulent States colorable authority officers. Do not hesitate to file Human rights violations (not Civil Rights). Keep records! Remember that the majority of all Union States judges and State agencies are consciously violating the Constitution on which they take their oath. See Article VI and others.

All Moorish Americans should have in their possession the following documents; whenever dealing with the States; their agencies, etc.:

1. A valid Moorish American Nationality and Identification Card
2. Moorish American Zodiac Great Seal Constitution, and other Indigenous Moorish Documents.
3. The Treaty of Peace and Friendship between the United States of America and Morocco of 1787 A.D., 1207 M.C.
4. Code of the Laws of the United States of America of a General and Permanent Character in force - Title 22, Chapter 2 Section 141. Foreign Relations and Intercourse - Treaties
5. The Constitution of the United States of America (see Article VI)

All of the foregoing should be presented when needed, and entered into evidence before any court proceedings and put into the public record. Hiram should not be hindered in his RISE with JUSTICE. All hail! The Sun of God!

*Note: The denial of lawful Due Process, by the Union States Officials, assumed Jurisdiction and improper venue is the basis for much of the unjust incarceration of unconscious Moors, all over this land. The fraudulent use of Color of Law has been the standard for the States. This supports the economic base for the States' municipalities, cities, towns and borough officials, who target dark and light olive Moors to extort resources for their Police Courts. This includes the fraudulent and unconstitutional commercial adhesion license contracts of COERCION based Traffic Courts. They are

United States Constitution: Article III Section 1 and Section 2

Section 1.

The judicial Power of the United States, shall be vested in one Supreme Court, and in such inferior Courts as the Congress may from time to time ordain and establish. The Judges, both of the Supreme and inferior courts, shall hold their offices during good Behavior, and shall, at stated Times, receive for their services a compensation, which shall not be diminished during their continuance in Office.

Section 2: 1

The judicial Power shall extend to all Cases, in Law and Equity, arising under this Constitution, the Laws of the United States, and Treaties made, or which shall be made, under their Authority; - to all cases affecting Ambassadors, other public Ministers and Consuls; - to all Cases of admiralty and maritime Jurisdiction; - to Controversies to which the United States shall be a Party; - to Controversies between two or more States; - between a State and citizens of another State; - between citizens of different States; - between citizens of the same State claiming lands under the Grants of different States, and between a State, or the citizens thereof, and foreign states, citizens or Subjects .

United States of America Constitution: Article VI

All debts contracted and engagements entered into, before the adoption of this Constitution, shall be as valid against the United States under this Constitution, as under the Confederation.

This Constitution, and the laws of the United States which shall be made in pursuance thereof; and all treaties made, or which shall be made, under the authority of the United States, shall be the supreme law of the land ; and the judges in every state shall be bound thereby, any thing in the Constitution or laws of any State to the contrary notwithstanding.

The Senators and Representatives before mentioned, and the members of the several State Legislatures, and all Executive and Judicial officers, both of the United States and of the Several States, shall be bound by oath or affirmation, to support this Constitution; but no religious test shall ever be required as a qualification to any office or public trust under the United States.

Morocco

1787

The Treaty of Peace and Friendship

Concluded January 1787; ratified by the Continental Congress July 18, 1787. This Treaty of twenty-six articles, negotiated by Thos. Barclay and signed by John Adams and Thomas Jefferson, was superseded by the Treaty of 1836. The following Articles are excerpts from the Treaty.

Article XX

If any of the citizens of the United States, or any persons under their protection, shall have any dispute with each other, the Consul shall decide between the parties; and whenever the Consul shall require any aid or assistance from our Government to enforce his decisions, it shall be immediately granted him.

Article XXI

If a citizen of the United States should kill or wound a Moor, or on the contrary, if a Moor shall kill or wound a citizen of the United States, the law of the country shall take place; and equal justice shall be rendered, the Consul assisting at the trial; and if any delinquent shall make his escape, the Consul shall not be answerable for him in any manner whatever.

Article XXIV

If any differences shall arise by either party infringing on any of the articles of this treaty, peace and harmony shall remain, notwithstanding, in the fullest force, until a friendly application shall be made for an arrangement; and until that application shall be rejected, no appeal shall be made to arms. And if a war shall break out between the parties, nine months shall be granted to all the subjects of both parties to dispose of their effects and retire with their property. And it is further declared that whatever indulgence, in trade or otherwise, shall be granted to any of the Christian Powers, the citizens of the United States shall be equally entitled to them.

JOURNALS
OF THE
HOUSE OF
REPRESENTATIVES

1789 - 1790

THE VIEWS OF SLAVES AND FREE BLACKS ARE RARELY FOUND IN THE PETITIONS. BLACKS WERE OFTEN THE SUBJECTS OF PETITIONS SUBMITTED BY WHITES. BUT IN ONE UNUSUAL CASE FOUR FORMER SLAVES PETITIONED THE HOUSE FOR A CLARIFICATION OF THEIR LEGAL STATUS. THE EX-SLAVES, FRANCIS, DANIEL, HAMMOND, AND SAMUEL HAD BEEN SUBJECTS OF THE EMPEROR OF MOROCCO. WHEN THEY WERE CAPTURED BY AN AFRICAN KING. THEY WERE DELIVERED TO A CAPTAIN CLARK ON THE PROMISE THAT HE WOULD TAKE THEM TO ENGLAND, WHERE THE MOROCCAN AMBASSADOR WOULD RANSOM THEM. BUT INSTEAD THEY WERE SOLD IN SOUTH CAROLINA AS SLAVES. EVENTUALLY, THE FOUR MEN PURCHASED THEIR OWN AND THEIR WIVES' FREEDOM. THEY NOW WANTED TO BE ASSURED THAT IF ACCUSED OF A CRIME, THEY WOULD BE TRIED AS SUBJECTS OF A FOREIGN NATION, BY THE COURT OF GENERAL SESSIONS, RATHER THAN AS FREE BLACKS BY THE MAGISTRATES AND FREEHOLDERS COURT. THE HOUSE DECIDED THAT THE MEN WERE CITIZENS OF MOROCCO AND THUS NOT SUBJECT TO LAWS GOVERNING FREE BLACKS.

INTRODUCTION

A PETITION WAS PRESENTED TO THE HOUSE FROM SUNDRY FREE MOORS, SUBJECTS OF THE EMPEROR OF MOROCCO, AND RESIDENTS OF THIS STATE, PRAYING THAT IN CASE THEY SHOULD COMMIT ANY FAULT AMENABLE TO BE BROUGHT TO JUSTICE, THAT THEY, AS SUBJECTS TO A PRINCE IN ALLIANCE WITH THE UNITED STATES OF AMERICA, MAY BE TRIED UNDER THE SAME LAWS AS THE CITIZENS OF THIS STATE WOULD BE LIABLE TO BE TRIED, AND NOT UNDER THE NEGRO ACT, WHICH WAS RECEIVED AND READ.

SOVEREIGNTY

Sovereignty is the supreme, absolute power by which a Free and independent **People** or **State** is governed. It is the self authority of a **People**; unencumbered by another foreign nation or people. The **opposite** of **Sovereignty** is slavery, forced dependence and the usurpation of a **People's** unalienable rights by a foreign alien people.

Sovereignty is the self sufficient, birthright source of political power of a people. All specific political power is derived from it. **Sovereignty** is the Internationally recognized independence of a **People** or **State**, having the right to make law, trade, conduct commerce, impose and collect taxes, make war or peace, make treaties with other foreign nations, etc.

Sovereignty is the inalienable power and authority of a "**People**" or "**State**" (politically united people) to make laws for the governing of their own lands, resources, people and affairs - not dictated to or enslaved by a foreign nation/s people/s or occupational forces. When a nation is occupied or **usurped** by an **alien** colony of people or nation, its **government** is referred to as **de facto**.

Sovereign People

27 The political body of a **People**, **Nation** or **State**, including the whole of the **People** or **Nation**, along with their **duly elected** representatives from among themselves, who convene as a body to address the affairs of **The People** in a qualified manner. The **People** exercise their **sovereignty** through their **elected representatives**. This is the standard of a **Republican** form of government.

The issue of **Sovereignty** and citizenship is most strongly addressed and evident in this profound court case - the **Dred Scott Case** of 1854 to 1857. The United States Supreme Court clarified all issues of **Citizenship** and **Sovereignty**, in relationship to the United States of America, concerning not only **Dred Scott**, but anyone of African descent. The Court further addressed a persons' lack of ability to make a lawful suit - not in their proper person, or not In Propria Persona.

The Dred Scott Case of 1857 is the most important and far reaching slave case ever to come before the Supreme Court of the United States of America. It settled all arguments regarding people called negro, black, African etc. The decision was that **they are not and can never be citizens of the United States of America**. This stands as the Law of the land, and has never changed.

Question: If the man calling himself **Dred Scott** was claiming to be a **free man**, why was he still transacting business and Law issues in the **alien** European surname, **Scott**, which constitutes fraud? What alternative did the Supreme Court have, but to rule in favor of **Sanford**, the European, who certainly was in his **Proper Person**, and a **Citizen of the United States of America**? Do we react to social emotions, or do we examine the facts?

The Caste Word System
used for
Colored People

The caste code words system which were coined to steal the birthrights of Moorish Americans and their descendants are the labels **black, negro, colored** and other words which have no attachment to the human family and no attachment to the land; therefore, they are **void and artificial At law**. **Colored people means artificial people.**

The States of the Union slave - maker - legislators, judges, State institutions, prosecutors and other corporate Colony/State officials - apply false and artificial law to all labeled and branded **Moors** (negro, black colored, etc). **Moorish Americans** should always have their Constitution in their possession, whenever entering a Union States Court. **Black** means "stagnant", destitute of all moral light or goodness and death. **A zombie people!**

Color of law has the semblance of being law, but is not. It may appear real, but is not. It has the look of a beautiful apple, but has a rotten core. There is no authority or correctness in **Color of Law**. It is fraud!

Color of Law is commonly used in the States, to take advantage of the miseducated Asiatic Moors. This is the well entrenched misuse of power and authority enforced by virtue of State law and lives only because non - jurisdictional officers of the States use the power of their positions and the **force of arms**.

Involuntary servitude is a violation of National and International Law - however - those who voluntarily chose to cling to (keep) the **European surnames and caste code labels** are their property. This traditional practice automatically voids any Sovereign rights "At Law". The slave descendants who cherish the European surnames are volunteering themselves and all that they may possess into the **CASTE and COLOR** code system. At this point, servitude is lawful! **WILLING VICTIMS!** In this state, they are categorized as "IT" and "legal Chattel".

Remember, Moors! You are not negro, black, colored, or any of the labels or brands coined and propagated by the State slave holders and their incorporated agent overseers. The State ordained and sanctioned "black leaders" reap high revenues from the negro, black, colored false label race issues. The **Nationality** of these labeled and branded people is definitely **Moorish American (Al Moroccan)**.

As a rule, when any issue of law is addressed with the Union States, use the **Constitution** of that Nation and your **Constitution** to measure the validity of a particular **Law or controversy**. If the **Law** is in adversity with, or **contrary to the Constitution**, it is not the **Law of the Land**; but is **fraud and Color of Law**. One must be vigilant and firm in this principle. States' governments and their agencies use **Colorable laws** to create a bottomless money pits on the backs of their negro, black and colored **chattel property!**

Resolution

Though twelve of Sun, I come as one
Of present memory, past.
As we would know, the numbers show
The first to be the last.
Oh wondrous wheel, the fires peel
Away the karmic mold—
Regarding destiny and deed,
To balance works of old.

Time, again... for Love...
Time, again... for Love.

29
The search for good, where darkness stood —
A battle of the mind.
The aspects be, as we shall see —
A guiding light to find
Such polished jewels and royal tools
For Universal rides;
As you seek them, vida mikum...
Speak with lips unparted;
Where you see them — work to free them,
They are you — uncharted.

Time, again... for Love...
Time, again... for Love—
Her window? In the heart.

—Bra. Taj Tarik Bey
October 11, 1996

Moors Order Of The Roundtable M.O.O.The R.

PURPOSE

"Moors Order Of The Roundtable" (M.O.O.The R.) is a Moorish Nation Institution which came into existence through active research and study of the works and teachings of Sheikh Shariff Abdul All (Noble Drew All) and evolved out of ongoing history and culture classes which were held on a consistent and expanding basis by Bro. Taj Tarik Bey. M.O.O.The R. was officially established in June of 1982 A.D. = 1402 Moorish Calendar Year.

M.O.O.The R. is an active association of Moorish Americans - the indigenous inhabitants of Ancient Amexem; the land of MU. In modern times, Amexem is called Northwest, Southwest and Central Africa. In contemporary times, Amexem is called North America, South America and Central America, including the adjoining islands. The two (2) American (Al Moroccan) Continents, and Islands, are the inherited lands of the Moors. The Moors are bound to these Continents by Heritage and Birthright. These are the Lands of our Ancient Mothers and Fathers.

M.O.O.The R. treats the issues of Moorish History, Culture, Civics, Science, Law, Heritage, Descent (pedigree/parentage), Philosophy, Literature, etc. Uplifting fallen humanity requires expanding work in many areas. There is much work to do. We are striving to perform a functional and positive part in this noble work. We are making constructive and applicable Civic contributions to the Nation. Action is the response made to the world renowned call made by Noble Drew All, founder of The Old Cansante Temple in 1913 A.D. = 1333 Moorish Calendar year. The Old Cansante Temple emerged as The Moorish Holy Temple of Science. Since 1928, the M. H. T. of S. has adopted, as its corporate name, The Moorish Science Temple of America. The Universal Moorish Movement is called the "Moorish Divine National Movement Of The World"

This was Prophet All's call in 1913 A.D. = 1333 Moorish Calendar year:

"Come all ye Asiatics of America and hear the truth about your nationality and your birthrights - You are not negro, black, colored or ethiopian. Learn of your forefathers ancient and divine creed, that you may learn to love, instead of hate. Come and link yourselves back with the families of nations."

.....

At the Roundtable, we study, analyze and act on the above statement, from an "At Law" perspective, then apply the knowledge and instruction. Actions bring words to life.

Another inspiring statement made by Prophet Noble Drew All, was:

"In order to change the people, you must change their literature."

To use the word profound would be an understatement, when referencing Prophet All's Teachings and Instructions. We, as conscious Moors, have been remiss in our responsibilities and duties, relative to our National and International development. We have fallen woefully short in our duty to produce literature from the Moorish perspective, for ourselves and our Children. Lessons in Moorish Al Moroccan (American) Culture, Heritage, Government (civics) and the Cosmology - Moorish Sciences are produced through "Moors Order Of The Roundtable" study classes. Literature is for sale, to the Moors and the general public, to raise the consciousness of the masses. We serve as a small Moabite Oasis to counter false concepts and misinformation propagated by *conflict of interest institutions* and *chattel system appointed opportunists* who extract fortunes and pretend to address the lack of National Sovereignty and the economic and social problems. This directly and indirectly promotes the suffering of our divided, uninformed and civically abused Nation.

It is most difficult to enslave an informed People. Moorish Americans need focused reorientation literature. Studies of SELF should be promoted and encouraged amongst our People. We are well aware that SLAVERY still exists in our land. The Union of States subjugated the Moors through and by government and pseudo-government agencies which are operating by the

Moor's Order Of The Roundtable

Purpose

Magna Carta (Charter), Knights Of Columbus, Klu Klux Klan Oath of 1854, Philadelphia, Pennsylvania. Their Ordinances, Municipal laws and Social Programs are based in the Black Codes of 1724. These are the untold FACTS.

The Roundtable is a civic association of National Indigenous Moors, not to be confused with, nor mistaken as a religious group or organization! We are a civically active part of the Indigenous Moorish Nation. We treat the Science of Government.

Our civic activity is a National Sovereign Birthright. We encourage the reformation of all indigenous peoples and encourage them to proclaim their NATIONALITY and BIRTHRIGHTS - honoring their own Mothers and Fathers. Just as other civilized nations support and establish institutions to serve and preserve their posterity, we recognize that Moorish families and children need institutions to serve and preserve the Moorish Nation. We work toward those ends.

Moors should be the major writers of Moorish History. We encourage this firmly. Literature produced from the Moorish perspective (Eye) is sorely needed by our people from every walk of life.

We seek to raise the level of true SELF consciousness among ourselves and our unconscious Sisters and Brothers in a functional and beneficial manner. Moors who know the Science, History, Heritage and Culture are obligated to teach these truths to our own, especially to those who do not know of SELF and National Birthright. We are working hard to remove the artificially induced Civic Death which plagues our people. The Sciences of our Ancient Mothers and Fathers have been twisted, misinterpreted and misrepresented by slavers through the use of subtle religious dogmatic control systems. We strive to uplift the Great Principles and Science of our Ancient Mothers and Fathers - the Founders of Civilization.

We recognize the fact that a National Constitution is key to any National body, and that it is the PRINCIPLE guide of LAW for NATIONAL UNITY and harmony. We instruct accordingly. Observing the divisions among the Moorish Institutions, Tribes, groups, et cetera, we work diligently toward the UNITING OF THE ASIATIC MOORISH NATION in our SOVEREIGN CAPACITY. We are active, not passive, in striving to live clean Law and Principles.

C. M. Bey, Ph.D., LL. D., Master Astrologer and Moorish Constitution Law Giver is the author of Clock of Destiny I and II. He is one of the few taught by Noble Drew All who put his knowledge and development to the PEN, thus making a profound difference to the positive; for the Moorish Nation. C.M. Bey also wrote and produced Humanitarian Lessons of Cosmos Science (along with other Scientific literary works).

We make PUBLIC DECLARATION of our Moorish/Moroccan Nationality and Birthrights. We are the true inheritors of the North Gate. We honor our Mothers and our Fathers. Do your part in helping to uplift fallen humanity. Peace on Earth, Recognition by the Nations of the Earth, and Peace with SELF, are the prizes! Freedom is everybody's job.

Islam.

As Salaamu Alaikum.

Vida Mikum.

Bro. Taj Tank Bey

A Free Moor, Son Of A Widow

M. O. O. The R

Amexem

Moors: The Indigenous Peoples of North, South and Central Americas (Al Morocs), including the adjoining Islands.

Fez: The National Headdress of the Asiatic Moorish Nation Of North, South and Central Al Morocs (Americas), including the adjoining Islands.

The Fez is red felt, with an indigo black tassel.

Fez: The Headdress of the Ancient Ones - The Moabite/Moors - also spelled Mour. It is geometrically formed to represent the eternal Zodiac. The BODY of the FEZ symbolizes the WOMB of the COSMOS and the WOMB of WOMAN - MOTHER. The 1 inch FINIAL which extends out of the center of the FEZ is the NUMBER 1, and the 9th letter - I - in the Phonetic Moorish alphabet. The letter I also symbolizes the NAVEL of the Solar Plexus and the Solar

The cord extending from the I (Eye) symbolizes the Universal Umbilical Cord of Universal Life and represents the Oneness of all life. It also represents the tie to the source of Humanity - ZODIACUS - the FIRST WOMAN.

The Circular (round) part of the tassel represents the MUNDANE CIRCLE or EARTH. The cord wrapped about the tassel strands, hold the form of the Circle and represent the Unity of Life through the Zodiac Constitution of Humanity. It also represents the Cyclical and reciprocal nature of Life.

The STRANDS of the TASSEL represent the 360 DEGREES of the ZODIAC... The highest LAW and AUTHORITY in CIVILIZATION. The ZODIAC CROWN OF LIGHT, the National Headdress of the MOTHERS and FATHERS of the HUMAN FAMILY - FOUNDERS of CIVILIZATION, AND MASTERS of the COSMOS SCIENCE. 3RD 3RD AND 360 Degree MASTER MASONS and EASTERN STARS. This is a part of the hidden truth which has been buried in the dark corner of the NORTHGATE. The FEZ - symbol of the Eternal Zodiac is also called a Tarbush, a Tiara, a Corona Sol, and other names, which describe its Royal Status.

- DR. TAJTARIK BEY - SON OF A WIDOW - MOORS ORDER OF THE ROUNDTABLE 1984 A.D. - 964 M.C.

The Moabite Moorish Flag of The Human Family

The Crescent and the Star

Is a red flag, with a white Crescent and Star in the center. The Star is just inside the upper horn of the Crescent.

The Crescent and the Star is the oldest flag in all human history. It is MOTHER to all other flags of the Nations. It symbolizes MOTHER and SON. In a singular form, it symbolizes the COSMOS.

The CRESCENT is the symbol of the Angle (Angel), LUNA - the MOON.

MOON:

Elohim identity: GABRIEL

Degree (day): Monday

Alchemy: Silver

Vibration light energy (color): White

Revolutions around Earth in a year: 13

Mean distance from Earth: 238,855 miles

The word Month is derived from Moon.

Strength and influence: Fecundity

Ruler of WOMANS' cycle of 13

The STAR within the Crescent is the Angle (Angel), ISHTAR - also called ASTARTE - VENUS

VENUS:

The most brilliant planet in our Solar System

Elohim identity: ANAEL

Degree (day): Friday

Alchemy: Copper

Vibration light energy (color): Green

Revolutions around the SUN in a year: 225 days

Distance from the SUN: 67,000,000 miles

Strength and influence: Fertility and Love

The National Flag of the Moabite Moorish Nation of North America (North Gate)

Old Glory. It is a red flag, with a five pointed green star in the center.

The flag of the Moorish Al Moroccans (Americans) - the direct descendants of the Ancient Moabites - who inhabited the Northwestern and Southwestern shores of Africa/America (Amexem). The word AL is Moorish Latin for descendant, or coming down from.

The green STAR is the Angle (Angel), Ishtar - descended to the Earth. Ishtar - also called Astarte - VENUS.

Venus is the most brilliant star in our Solar System. Her Elohim identity is ANAEL. Her degree (day) is FRIDAY. Friday, therefore, is the Holy Day for all MONADS (Moslems), all over the world.

VENUS, in Her revolution around the SUN, comes closer to the EARTH than any other planet. The alchemy of VENUS is copper; which is why Moors used copper, generously, in Moorish architecture. Copper will not rust, but will turn green over time, when exposed to the elements. Green is the vibration light energy (color) of VENUS - therefore - the GREEN STAR in the center of the Moorish flag.

The FIVE POINTS to the STAR are interlaced, and represent the five principles of Islam - Science of the Moabite/Moorish Nation. Those Principles are: LOVE, TRUTH, PEACE, FREEDOM and JUSTICE.

VENUS, the STAR, in the symbology of heraldry and flags, represents the feminine creative nature of the UNIVERSE and natural government order. In this Science, is found the secret principle of the Matriarchal Hierarchy and the Master Key to the highest form of Civilization and government structure and organization order. Thus, WOMAN is the manifest COSMOS or Zodiac on EARTH, and the CENTRAL focus for all HUMANITY.

The Flag of the Moorish Americans, in truth, is VENUS. VENUS is LOVE, herself, therefore, LOVE is the FIRST PRINCIPLE of the FIVE. In the SCIENCE of I.S.L.A.M.

- Bro. T of Turk Bey, Son of a Widow - Moors Order Of The Roundtable 1984 A.D. - 904 M.C.

Ancillaries

1. **Ancillaries:** aiding, auxiliary or subordinate, helper or aid to principal, or matter.

2. **Black - a - Moor:** A compound word used by European Colonists and their descendants, especially during and after the "Inquisition period". The adjective **black** is used to prefix the proper noun, Moor, the national and true pedigree/parentage name. This makes the word **black + Moor** or **black a Moor** a compound word. **Moor** is proper, **black** is not. The people called negro, black, colored, etc., are not any of these adjectives, but are **Moors**, by proper **National name**.

3. **Union:** a uniting or connecting of two or more into one. This can represent chemicals, principles or peoples. An example in simple form is $1 + 1 = 2$. In the secret history of the West, the two Seals of the United States represent Constitutions and Treaties of and between the Moorish Moslems and foreign European Christians into a government based on Ancient and Illustrious Principles of the "Five pointed Star" - Love, Truth, Peace, Freedom and Justice, as established in the Ancient Civilization of Mu the Moabites. These Principles are founded in Nature's Law and Nature's God, The Wheels in the sky - The Great Zodiac Law of Peace.

Therefore, while the present corporate government in control of the United States of America may take on a de facto posture, the ruling hierarchy - politicians, religionists and industrialists are well aware of the Mountain Top with the all seeing "Eye". This is called Mohammed's Mountain - The Great Seal and the key to the true history and Astrological destiny of "The Great Melting Pot".

4. Government Power and Authority

Governments are in power to protect and preserve the rights and immunities of the "People". They are not in power to abridge those rights, or to use the sovereign power entrusted in them only by the Constitution, to force the "People" into private corporate non-mutual adherence contracts and States' coerced wardship Color of Law schemes, against their will and interests. The rights and immunities of the "people" are not for sale, through contract, by government. Government authority is derived only from the agreed consent of the people they govern. A Constitution is, in fact, a Contract between "The People", and Persons, from amongst "The People", elected to represent them, in a Sovereign capacity. Any government official who claims jurisdiction or acts with authority, outside the limits of the Constitution of a particular Nation, is a **Criminal and a Traitor**.
