Re: Misrepresented instruments - bills of attainder / foreign bills of exchange
titled case number C-08-CR-23-000122 (and related case number C-08-
CR-22-000652), and titled WRIT OF SUMMONS - CRIMINAL dated
February 28, 2023, with attachment titled INDICTMENT bearing filed
date February 27, 2023; and the void de facto administrative hearing
scheduled for March 24, 2023.

Stare Decisis

See *United States v. Throckmorton*, 98 U.S. 61, 25 L.Ed. 93

("Fraud vitiates the most solemn contracts, documents, and even judgments."); and see *Elliot v. Peirsol*, 26 U.S. 328, 340 (1828)

("Courts are constituted by authority and they cannot act beyond the powers delegated to them. If a court acts without authority, its judgments and orders are regarded as nullities. They are not voidable, but simply void; and form no bar to a remedy sought in opposition to them, even prior to a reversal. They constitute no justification; and all persons concerned in executing such judgments, or sentences, are considered, in law, as trespassers.")

For the record, I am Lamont Maurice El, a natural person, in full life, in propria persona, sui juris. My nationality/citizenship is Moorish-American, being an aboriginal indigenous sovereign national to the land and de jure heir apparent thereof by jus sanguinis (Moslem of the west, widow's son), and foreign national inhabitant at LA PLATA, Maryland state republic.

I am the Consul General of Morocco, Maghrib al Aqsa, exercising consular jurisdiction at the Maryland state republic by authority given by treaty under Article 20 of the Treaty of Peace and Friendship of 1836 between the United States of North America and the Moroccan Empire, and I hereby make special appearance in case number C-08-CR-23-000122 as authorized representative, ex rel. LAMONT MAURICE BUTLER, and I object to the unconstitutional collusive action and de facto administrative proceedings under color of law in this alleged case; and to the void unconstitutional bills of attainder/foreign bills of exchange titled

WRIT OF SUMMONS- CRIMINAL dated February 28, 2023, with the attachment titled INDICTMENT bearing filed date February 27, 2023; and to the void de facto administrative hearing scheduled for March 24, 2023, due to lack of jurisdiction and fraud, and for the following errors:

1. the alleged defendant, i.e., LAMONT MAURICE BUTLER (Race: Black), is an artificial fictitious corporate construct/nom de guerre /straw-man (colored person) created by the unclean hands of others under color of law within purview of the unconstitutional 14th Amendment which does not identify an actual natural person (human being), and is being used for the purpose of fraud, denationalization, misrepresentation, identity theft, and kidnapping /human trafficking. See Exhibits: B1, B4, and B3 attached hereto. Furthermore, I do not consent to stand as surety for LAMONT MAURICE BUTLER (Race: Black) at any point, nor at any moment, nor at any time.
2. there is no actual identifiable natural person that has established the requirement of his or her standing as the alleged plaintiff/injured party, nor is there evidence of a written accusation being signed under oath or affirmation by the alleged plaintiff/injured party. See Allen v. Wright, 468 U.S. 737, 751 (1984) ("The requirement of standing, however, has a core component derived directly from the Constitution. A plaintiff must allege personal injury fairly traceable to the defendant's allegedly unlawful conduct and likely to be redressed by the requested relief."). The alleged plaintiff, i.e., STATE OF MARYLAND, is a private foreign corporation doing business under color of law within purview of the unconstitutional 14th Amendment

which also does not identify an actual natural person. Therefore, the alleged case number C-08-CR-23-000122 and the attachments associated thereto, including the unconstitutional bill of attainder instruments titled WRIT OF SUMMONS-CRIMINAL dated February 28, 2023, with the attachment titled INDICTMENT bearing filed date February 27, 2023, constitutes a collusive action under color of law for the purpose of fraud, conspiracy against rights, and deprivation of rights under color of law. See Exhibits: B1, B2, B4 and B3 attached hereto.

3. there is no evidence of lawful service of process given to the alleged defendant because the alleged defendant does not exist, and to make such a claim constitutes fraud. See Exhibit: B2 attached hereto.

4. the foreign de facto administrative agency, i.e., CIRCUIT COURT FOR CHARLES COUNTY (Inc.), operates under color of law by color of authority within purview of the unconstitutional 14th Amendment and does not have or possess lawful jurisdiction or Article III judicial authorization from Congress (delegation of authority order) to hear, present or pass judgment in any matter concerning my affairs, or in any dispute / case or controversy between a citizen of the United States and a Moor/Moorish-American, under a quasi criminal non-sanctioned tribunal of foreign private color of law process. Your lack of jurisdiction and fraud was proved by conclusive evidence in the related case number C-08-CR-22-000652 and in case number C-08-CR-21-000334 in the records of the foreign de facto CIRCUIT COURT FOR CHARLES COUNTY (Inc.) as explained in the memorandum below.
