State Decisis Law

"A state cannot refuse to give foreign nationals their treaty rights because of fear that valid international agreements may possibly not work completely to the satisfaction of state authorities. Under the supremacy clause of the United States Constitution Art. VI, clause 2, state policies as to the rights of aliens to inherit must give way to overriding federal treaties and conflicting arrangements." See Kolovrat v. Oregon, 366 U.S. 187, 194, 81 S.Ct. 922 (1961)

I, Yisreal Nuriyah Lye El, sui juris, an aboriginal and indigenous Moorish American sovereign national of the Moroccan Empire at Maghrib al Aqsa, North-West Amexum / North America, being of legal age, being duly affirmed according to law, hereby depose and state the following:

1. I am one of the surviving *consanguinity* heirs apparent of the late ancient Moabites (modernly known as Moroccans) from the land of Moab who received permission from the Pharaohs of Kemet to settle and inhabit North-West Africa (Amexem); they were the founders and are the true possessors of the present Moroccan Empire, with their Canaanite, Hittite, and Amorite brethren who sojourned from the land of Canaan seeking new homes. Their dominion and inhabitation extended from North-East and South-West Africa, across the great Atlantis even unto the present North, South, and Central America and also Mexico and the Atlantis Islands, before the great earthquake, which caused the great Atlantic Ocean.
2. My nationality / citizenship and political status as an aboriginal indigenous Moorish American sovereign national of the Moroccan Empire and direct descendant of the ancient Moabites (Moroccans) by *jus sanguinis*, is recognized under registration number ©AA 222141, Class A, with the Clock of Destiny Moorish American National Identification Card and Zodiac Constitution recorded by Charles Mosley Bey, A Moorish American and my kin by consanguine, on September 10, 1952, in the Library of Congress Copyright Office, Washington, District of Columbia, and the United States Department of Justice.

3. My Moabite ancestors died intestate, and was vested with reversionary interest in the lands and resources of the Moroccan Empire at North America, which is in de facto occupational use, in usufruct, by the foreign hybrid European colonist exercising feudal law practices under color of law as citizens / members / beneficiaries of the UNITED STATES (Inc.) under the expired fifty (50) year mandate, i.e., the Treaty of Peace and Friendship of 1836 (in force 1837) between the United States of North America and the Moroccan Empire; which superseded the Treaty of Peace and Friendship of 1787 between the United States of America, and his Imperial Majesty the Emperor of Morocco. This treaty is the Supreme Law of the Land under the 'Supremacy Clause' of the Constitution for the United States of North America Article VI, clause 2. Article 25 of the aforesaid Treaty of 1836 avers the expiration term as follows:

Article 25. This Treaty shall continue in force, with the help of God, for fifty years; after the expiration of which term, the Treaty shall continue to be binding on both parties, until the one shall give twelve months notice to the order of an intention to abandon it; in which case, its operations shall cease at the end of the twelve months.”

4. Per my treaty right to inherit under Article 22 of the Treaty of Peace and Friendship of 1836 between the United States of North America and the Moroccan Empire, and in accordance with the intentional law provision of the United Nations Declaration on the Rights of Indigenous Peoples, I am competent to make claim to my inherited ancestral estates in reversion as a surviving rightful heir apparent, which is being held in trust de facto by foreign corporate STATE OF TEXAS (Inc.) and subsidiaries as escheated fee simple property under color of law within purview of the unconstitutional 14th Amendment to the United States Constitution. Per the stare decisis law in the *Kolovrat* case mentioned above, my treaty right to inherit property under Article 22 of the said Peace Treaty of 1836 overrides all state policies that are made to the contrary, which aver the following:

Article 22. If an American citizen shall die in our country and no will shall appear, the Consul shall take possession of his effects, and if there shall be no

Consul, the effects shall be deposited in the hands of some Person worthy of Trust, until the Party shall appear who has a right to demand them, but if the Heir to the Person deceased be present, the property shall be delivered to him without interruption; and if a will shall appear, the property shall descend agreeable to that will, as soon as the Consul shall declare the validity thereof.

5. I hereby make an adverse claim of aboriginal title to my ancestral estate in reversion as described below, to wit:

All that certain plot, piece or parcel of land with resources, buildings and improvement thereon erected, situated, lying and being, known to be located near RICHMOND, Texas Republic, known by the street address of **2103 Countryshire Ln, Richmond, Texas**, at Maghrib al Aqsa, North-West Amexem, and geographically located on the North American continent within the dominions of the Moroccan Empire at Maghrib al Aqsa, North-West Amexem, Latitude 29.666960, Longitude -95.806430, GPS (Global Positioning System) coordinates 29°40'0.581" North, and 95°48'23.227" West;

6. This claim is made pursuant to the aboriginal land tenure systems, traditions, and customs of my ancient Moabite Foremothers and Forefathers in accordance with international law under Articles 26, 27, 28, 29, 30, and 37 of the United Nations Declaration on the Rights of Indigenous Peoples.
7. The above-described property is registered in a private allodial trust titled: Marcus Ngai Cooper Trust dated June 24th, 2022, which I am the Trustee of; and the document titled Memorandum of Trust shall server as proof of such trust.
8. Any mortgage, hypothecation, lien, encumbrance, or fee simple deed (color of title) attached to my ancestral estate in reversion known as **2103 Countryshire Ln, Richmond, Texas**, claimed or held by any citizen(s) of the United States via feudal law practice within purview of the 14th Amendment to the United States Constitution, being recorded in the Land Records of Fort Bend County, Texas, are held to be ineffective, invalid, null, void and unconstitutional per the Congressional Records

Proceedings and Debates of the 90th Congress, 1st Session, Volume 113 – Part 12,
June 12, 1967, page 15614 (The 14th Amendment Is Unconstitutional).
