## INVITATION LETTER School Year 2026–2027

Dear Scholars, Clans, and Village,

It is with great honor and a warm spirit of welcome that we invite you to join Noble Drew Ali Scholars of North America for our inaugural school year, 2026–2027. We are opening the doors to a new educational experience centered on knowledge of Self, discipline, character development, cultural understanding, community engagement, and the development of well-rounded Scholars prepared to contribute meaningfully to their clans, communities, and the world. Our school will provide opportunities across the Seven Liberal Arts, together with practical and enrichment experiences designed to support the whole Scholar. Our beginning offerings will include:

- |                         |                                                                |                    |
