Re: Ancestral estate in reversion known as 405 N Lombard Street, Portland, Oregon republic.

#### **Stare Decisis Law**

*“A state cannot refuse to give foreign nationals their treaty rights because of fear that valid international agreements may possibly not work completely to the satisfaction of state authorities. Under the supremacy clause of the United States Constitution Art. VI, clause 2, state policies as to the rights of aliens to inherit must give way to overriding federal treaties and conflicting arrangements.” See **Kolovrat v. Oregon, 366 U. S. 187, 194, 81 S.Ct. 922 (1961)***

I, Brenulla White-Bey, sui juris, an aboriginal and indigenous Moorish American sovereign national of the continental Americas at the Moroccan Empire, being of legal age, after being duly affirmed according to law, hereby depose and state the following:

1. I am one of the surviving *consanguinity* heiress apparent of the late ancient Moabites (modernly known as Moroccans) from the land of Moab who received permission from

the Pharaohs of Kemet to settle and inhabit North-West Africa (Amexem); they were the founders and are the true possessors of the present Moroccan Empire, with their Canaanite, Hittite, and Amorite brethren who sojourned from the land of Canaan seeking new homes. Their dominion and inhabitation extended from North-East and South-West Africa, across the great Atlantis even unto the present North, South, and Central America and also Mexico and the Atlantis Islands, before the great earthquake, which caused the great Atlantic Ocean.

2. My political status and Class A1 citizenship as an indigenous Moorish American sovereign national and direct descendant of the ancient Moabites (Moroccans) is recognized under registration number ©AA 222141, Class A, with the Clock of Destiny Moorish American National Identification Card and Zodiac Constitution recorded September 10, 1952, in the Library of Congress Copyright Office, Washington, District of Columbia, and the United States Department of Justice.
3. My Moabite ancestors died intestate, and retain reversionary interest in the lands and resources of the Moroccan Empire at North America which foreign European colonists presently occupy and use in usufruct while exercising feudal law practices de facto as citizens of the United States under the expired fifty (50) year mandate, i.e., the Treaty of Peace and Friendship of 1836 (in force 1837) between the United States of North America and the Empire of Morocco; which superseded the Treaty of Peace and Friendship of 1787 between the United States of America, and his Imperial Majesty the Emperor of Morocco. This treaty is part of the supreme Law of the Land per the 'Supremacy clause' of the Constitution for the United States of North America Article

VI, clause 2; and Article 25 of this treaty avers the duration of such occupation as follows:

**Article 25.** This Treaty shall continue in force, with the help of God, for fifty years; after the expiration of which term, the Treaty shall continue to be binding on both parties, until the one shall give twelve months notice to the other of an intention to abandon it; in which case, its operations shall cease at the end of the twelve months.”

4. Per my treaty right under Article 22 of the Treaty of Peace and Friendship of 1836 between the United States of North America and the Empire of Morocco, and in accordance with the international law provisions of the United Nations Declaration on the Rights of Indigenous Peoples, I am competent to make claim to my inherited ancestral estate in reversion as a surviving rightful heiress apparent which is being held in trust de facto by the foreign corporate STATE OF OREGON (Inc.) and subsidiaries as escheated fee simple property under color of law within purview of the plausible 14<sup>th</sup> Amendment to the United States Constitution. Per the stare decisis law in the *Kolovrat* case mentioned above, my treaty right to inherit property under Article 22 of the said Peace Treaty of 1836 overrides any and all state policies that are made to the contrary, which aver the following:

**Article 22.** If an American citizen shall die in our country and no will shall appear, the Consul shall take possession of his effects, and if there shall be no Consul, the effects shall be deposited in the hands of some Person worthy of Trust, until the Party shall appear who has a right to demand them, but if the Heir to the Person deceased be present, the property shall be delivered to him without

interruption; and if a will shall appear, the property shall descend agreeable to that will, as soon as the Consul shall declare the validity thereof.

5. I hereby make an adverse claim of aboriginal title to my ancestral estate in reversion as described below, to wit:

ALL that certain plot, piece or parcel of land with resources, buildings and improvement thereon erected, situated, lying and being, known to be located near Portland City, Oregon state republic, known by the street address of **405 N Lombard Street, Portland, Oregon**, at Maghrib al Aqsa, North-West Amexem, and geographically located on the North American continent within the dominions of the Moroccan Empire at Maghrib al Aqsa, North-West Amexem, Latitude 45.577470, Longitude -122.670150, GPS (Global Positioning System) coordinates 45° 34' 38.894" North, 122° 40' 12.54" West;

6. The document titled Owner's Aboriginal Title to Allodium – EXHIBIT: C1 shall be used as conclusive proof of my Aboriginal Title and allodium ownership of the above described property under seal of a Vizir officer (Public Minister) of the Moorish Nation, and is made pursuant to the aboriginal land tenure systems, traditions, and customs of my Moorish Nation in accordance with international law under Articles 26, 27, 28, 29, 30, and 37 of the United Nations Declaration on the Rights of Indigenous Peoples.
7. The above described property is registered in a private allodial trust titled: THE MOON AND THE SUN ABORIGINAL TRUST, which I am the Trustee of; and the document titled Memorandum of Trust serves as proof of such trust.

8. Any mortgage, hypothecation, lien, encumbrance, or fee simple deed (color of title) attached to my ancestral estate in reversion known as 405 N Lombard Street, Portland, Oregon republic, claimed or held by any citizen(s) of the United State via feudal law practice within purview of the 14<sup>th</sup> Amendment to the United States Constitution, being recorded in the Land Records of Baltimore City, Maryland, are held to be ineffective, invalid, null, void and unconstitutional per the Congressional Record Proceedings and Debates of the 90<sup>th</sup> Congress, 1<sup>st</sup> Session, Volume 113 – Part 12, June 12, 1967, page 15614 (The 14<sup>TH</sup> Amendment Is Unconstitutional).
9. I am, therefore, executing this Affidavit for the purpose of attesting to the truthfulness of the facts set forth herein, and a copy of this Affidavit, the Owner's Aboriginal Title to Allodium – EXHIBIT: C1, and the Memorandum of Trust will be made viewable for publication at: [www.EnforceTheConstitution.org/adverse-claim-to-property](http://www.EnforceTheConstitution.org/adverse-claim-to-property).
10. If there shall be no rebuttal to this Affidavit produced for the record, being made point-by-point and signed under oath or affirmation by any interested person **ten (10)** days from the file date of this Affidavit, then this Affidavit and the information herein stands as prima facie evidence and conclusive proof in the records of case number 17CV51832.
