

Professional and Affordable Office Cleaning

When you're busy running a business, the time you spend cleaning your office takes time away from growing your company. That's why so many large and small businesses in the Upstate and other surrounding areas in Greenville to keep their offices clean, their employees happy and their customers impressed. We understand that you don't get a second chance to make a first impression with clients. A dirty bathroom, un-swept floors, even smudged glass on the front door can mean the difference between keeping a customer and losing one. Think of Awaken to Eco as your silent (cleaning) partner. We'll come before or after hours, when it's least interruptive, and provide professional, affordable janitorial services and office cleaning. Our thoroughly screened and trustworthy cleaning staff can perform a range of services, tailored to your needs. Awaken to Eco uses only eco-friendly, certified-green cleaning products to ensure a healthy, environment for your staff and clients

Happy, Healthy Employees Are More Productive

With Awaken to Eco as your office cleaning service, your employees will enjoy working in a healthy, safe environment. Regular green cleaning reduces allergens in the air than can cause asthma attacks. Green-certified products prevent allergic reactions toxic cleaning chemicals can cause. Awaken to Eco also saves you the expense of a full-time janitorial staff on your payroll. As an independent contractor with its own insurance, employees, payroll, and more, you only need to pay our flat fees.
