

## Move Out/In Cleaning

Whether you are a homebuyer moving in to a new place, or a seller or renter moving out of your current home, you have a lot on your to-do list. Let us make sure that your new home, or the one you're leaving, looks spotless and sparkling with our move in and move out green cleaning services.

### Move Out Cleaning

If you are selling, Awaken to Eco can help you show your home flawlessly. From house cleaning to around-the-house repairs, Awaken to Eco is on-call for realtors and individuals preparing to sell their homes. The difference is in the details, and what a difference it is! Show potential home buyers your property's true potential with updated faucets, spotless floors, a new coat of paint, new tile grout or caulking—whatever it takes, we're here to help.

### Move In Cleaning

If you are a homebuyer or renter, you want your new home to be in perfect move-in condition. Awaken to Eco provides an array of services that will meet any expectation. To keep your new place looking move-in clean, Awaken to Eco offers deep cleanings, weekly cleaning, bi-weekly, whatever your needs are, Awaken to Eco can deliver. Our move in cleaning services consists of everything in a first-time cleaning, plus deep cleaning of the baseboards, oven, stove, refrigerator, ceiling fans, and cabinets and drawers. We also provide all the necessary cleaning supplies so you have one less thing to deal with. Move in/out cleaning can be done on your house, as well as office, condo or apartment.

Here are our services:

### **Other Living Area Cleaning Services**

Aside from kitchen and bathroom cleaning, we can also do the cleaning your living area. And yes, including carpet cleaning. Our services also includes:

- Vacuum carpets, hard surface floors, stairs and upholstered furniture
- Change bedding
- Dust windowsills, ledges and wall hangings
- Pick up and straighten household and personal items
- Polish furniture
- Remove cobwebs
- Empty trash bins

Are you on a tight budget? No worries! We got you. We can customize our services to better suit what you want. We make sure that our maids' performance is always at its best. Regardless of the weight of your cleaning needs. Get a quote now!

### **Bathroom Cleaning Services**

When was the last time you cleaned your bathroom? No doubt, you might've overlooked this chore for a long time. The great thing is, you don't have to bother doing it yourself. Our Apartment Cleaning includes bathroom cleaning services. These include:

- Disinfect all bathroom fixtures

## Awaken to Eco Move-in/Move-out Cleaning Services

- Scrub tub walls and shower area
- Wash bathroom floors
- Clean all glass and mirrors

### **Kitchen Cleaning Services**

The easiest place to get messy but hard to clean. Stains from your countertop and cooking surfaces can be hard to get rid of. If you'd rather use your microwave and just reheat food, you're not safe from mess either. But with our kitchen cleaning we can:

- Load dishwasher and clean kitchen sink.
- Clean cabinet doors and drawers
- Clean microwave oven (yes, inside and out!)
- Clean countertops, cooking surfaces, and appliance exteriors
- Wash and mop kitchen floors
