

Schedule Changes, Cancellation of Service

In the event that you reschedule, skip, add or cancel your service, we ask that you give us 24-hour notice. Without 24-hour notice, you will be charged a \$40 cancellation fee. Cancellations on the same day of service, for any reason, will be charged the full rate of service. All cancellations must be made through our office. NOTE: All cancellations will also cause the rate for your next cleaning to increase to the next level.
