

1. Government to Citizen (G2C) Services (Digital Kiosk Services)
Aadhaar Services
<ul style="list-style-type: none"> New Aadhaar Enrollment: Register individuals, including newborns, for unique identification. Aadhaar Updates: Update demographic (address, name) and biometric (fingerprint, iris) details. Aadhaar Downloads: Reprint or download e-Aadhaar from UIDAI. Aadhaar Linking: Link Aadhaar with mobile numbers, bank accounts, LPG connections, and voter IDs.
PAN Card Services
<ul style="list-style-type: none"> New PAN Applications: Assist with applying for Permanent Account Number for individuals and businesses. Corrections and Updates: Modify details like name, date of birth, or address on PAN cards. E-PAN Downloads: Instant issuance and downloading of e-PAN cards.
Passport Services
<ul style="list-style-type: none"> Application Assistance: Help citizens complete online passport applications. Appointment Scheduling: Book appointments for Passport Seva Kendras (PSK). Document Verification: Aid in preparing the necessary documents for submission.
E-District Services
<ul style="list-style-type: none"> Certificates: Issue birth, death, caste, income, and domicile certificates. Grievance Redressal: File and track complaints against government officials or services. Pension Services: Application for old age, widow, and disability pensions.
Land Records (Bhulekh)
<ul style="list-style-type: none"> Access Land Records: View and download land ownership documents. Mutation of Property: Facilitate the process of updating property ownership. Crop Loan Waiver Scheme: Verify eligibility and application for government debt relief.

Election Services

- **Voter ID Applications:** Assist in the registration of new voters.
- **Corrections:** Update personal details on Voter IDs.
- **EPIC Download:** Help citizens download their digital Voter ID (EPIC).

Utility Bill Payments

- **Electricity Bill Payments:** Facilitate payment for state and private electricity boards.
- **Water and Gas Bills:** Accept payments for water supply and LPG gas cylinder bookings.

Swachh Bharat Abhiyan

- **Household Toilet Construction:** Assist with applications for subsidies under SBM-Gramin or Urban.
- **Waste Management Solutions:** Enroll in waste segregation and composting programs.

2. Business to Citizen (B2C) Services

Banking and Financial Services

- **DigiPay Services:** Aadhaar-enabled payment systems for withdrawals and deposits.
- **Loan Applications:** Support for personal, business, and agricultural loans under Mudra Yojana.
- **Insurance:** Enroll in Pradhan Mantri Jeevan Jyoti Bima Yojana (PMJJBY) and Pradhan Mantri Suraksha Bima Yojana (PMSBY).
- **Pension Schemes:** Assistance for Atal Pension Yojana (APY) and NPS enrollment.

Telecom Services

- **Mobile and DTH Recharges:** Recharge prepaid services for major telecom and DTH operators.
- **SIM Registration:** New SIM activation and KYC verification.

E-commerce Services

- **Product Sales:** Enable customers to order products and essentials online.
- **Delivery Tracking:** Real-time tracking of purchased goods.

3. Drone Services

Kisan Drone Scheme

<ul style="list-style-type: none"> • Subsidized Access: Farmers receive government-funded drones for agricultural tasks.
<ul style="list-style-type: none"> • Services: Pesticide spraying, seed broadcasting, and nutrient application.
Namo Drone Scheme
<ul style="list-style-type: none"> • Financial Support & Training: Subsidized drone purchases and operator training for agricultural use.
<ul style="list-style-type: none"> • Use Cases: Crop monitoring, pest control, and yield prediction.
Crop Digital Services
<ul style="list-style-type: none"> • Health Monitoring: Drones capture NDVI and multispectral images to assess crop health.
<ul style="list-style-type: none"> • Yield Estimation: Predict crop yield with AI analysis.
<ul style="list-style-type: none"> • Stress Monitoring: Detect biotic (pest, disease) and abiotic (drought, flood) stress.
<ul style="list-style-type: none"> • Farm Mapping: Create georeferenced farm maps with topographic details.
Drone Training and Certification
<ul style="list-style-type: none"> • Hands-on Training: Drone operation, maintenance, and troubleshooting.
<ul style="list-style-type: none"> • Certification: Obtain licenses under the Digital Skilling Initiative.
Drone Rental & Repair Services
<ul style="list-style-type: none"> • Rentals: Short and long-term drone leasing for agri and industrial needs.
<ul style="list-style-type: none"> • Repair Services: Maintenance and repair for all types of drones.
Drone-Based Logistics
<ul style="list-style-type: none"> • Delivery Services: Transport medical supplies, parcels, and other goods to remote regions.
4. Agriculture Services
Soil Health Card Scheme
<ul style="list-style-type: none"> • Testing: Analyze soil samples for nutrient deficiencies.
<ul style="list-style-type: none"> • Reports: Issue soil health reports for optimized crop planning.
PM Fasal Bima Yojana (PMFBY)
<ul style="list-style-type: none"> • Insurance Enrollment: Apply for crop insurance against natural disasters.
<ul style="list-style-type: none"> • Claims Processing: Help farmers claim compensations.
Fertilizer & Seed Distribution
<ul style="list-style-type: none"> • Subsidized Inputs: Sale of seeds and fertilizers under government pricing.
Weather Advisory

<ul style="list-style-type: none"> • Real-time Updates: Provide local weather forecasts.
<ul style="list-style-type: none"> • Advisory Services: Alerts on rainfall, temperature changes, and pest risks.
Precision Farming Solutions
<ul style="list-style-type: none"> • IoT & Sensors: Use smart devices for irrigation and nutrient management.
5. Education Services
Digital Literacy Programs
<ul style="list-style-type: none"> • PMGDISHA: Training on basic computer and internet usage.
<ul style="list-style-type: none"> • NIELIT & Tally: Offer government-recognized certifications in digital skills.
Competitive Exam Preparation
<ul style="list-style-type: none"> • Study Materials: Online/offline resources for civil services, SSC, and banking exams.
<ul style="list-style-type: none"> • Mock Tests: Conduct practice exams for enhanced preparation.
6. Health Services
Telemedicine Services
<ul style="list-style-type: none"> • Doctor Consultations: Video conferencing with general physicians and specialists.
<ul style="list-style-type: none"> • Mental Health: Access to tele-counseling and therapy.
Ayushman Bharat (PM-JAY)
<ul style="list-style-type: none"> • Registration: Help families enroll in PM-JAY for free medical treatments.
Diagnostics and Wellness
<ul style="list-style-type: none"> • Health Camps: Organize camps for check-ups and diagnostics in rural areas.
7. Digital Services
<ul style="list-style-type: none"> • E-Ticketing
<ul style="list-style-type: none"> • Train & Flight Booking: Facilitate IRCTC and airline ticketing.
<ul style="list-style-type: none"> • FASTag Services
<ul style="list-style-type: none"> • Issuance & Recharge: Provide toll payment solutions.
Document Services
<ul style="list-style-type: none"> • Scanning, Printing & Lamination: Assist in digital and physical document handling.

8. Social Welfare Schemes

PM Ujjwala Yojana (PMUY)

- **LPG Connections:** Provide free LPG connections to women in rural households.

PM Awas Yojana (PMAY)

- **Housing Applications:** Facilitate affordable housing for rural and urban poor.

NPS & Pension Schemes

- **Enrollment:** Support for old-age pension and widow schemes.

9. Financial Inclusion Services

Pradhan Mantri Jan Dhan Yojana (PMJDY)

- **Zero-Balance Bank Accounts:** Assist in opening accounts with benefits like RuPay cards, overdraft facilities, and life insurance.
- **Direct Benefit Transfers (DBT):** Enable subsidy transfers directly to beneficiaries' accounts.

Pradhan Mantri Mudra Yojana (PMMY)

- **Loan Facilitation:** Help micro-entrepreneurs access Shishu (up to ₹50,000), Kishore (₹50,000 to ₹5 lakh), and Tarun (₹5 to ₹10 lakh) loans.
- **Women Entrepreneurs:** Special focus on promoting women's self-employment initiatives.

Atal Pension Yojana (APY)

- **Pension Enrollment:** Provide financial security post-retirement with guaranteed monthly pension.

Pradhan Mantri Suraksha Bima Yojana (PMSBY)

- **Accident Insurance:** Low-premium coverage for accidental death and disability.

Pradhan Mantri Jeevan Jyoti Bima Yojana (PMJJBY)

- **Life Insurance:** Affordable life insurance for citizens aged 18–50 years.

National Pension Scheme (NPS)

- **Retirement Savings:** Encourage long-term investment for retirement benefits.

Micro ATM and DigiPay

- **Cash Withdrawal & Deposits:** Financial transactions through Aadhaar-enabled payment systems.
- **Mini Statements:** Access account balance and transaction details.

10. Skill Development and Employment Services

Pradhan Mantri Kaushal Vikas Yojana (PMKVY)

- **Vocational Training:** Enable youth to acquire skills in high-demand areas like IT, retail, agriculture, and healthcare.
- **Certifications:** Offer industry-recognized certifications for skilled workers.

Digital Skilling Initiative

- **Drone Training:** Train youth in drone operation, maintenance, and AI-based analytics.
- **IoT & AI Training:** Skills for smart farming and industrial automation.

Skill India Mission

- **Placement Linkages:** Job placement services for trained individuals.
- **Entrepreneurship Development:** Support for self-employment and business setup.

MGNREGA Job Cards

- **Job Card Applications:** Help rural citizens access guaranteed employment under MGNREGA.
- **Work Allocation:** Facilitate participation in local development projects.

11. E-Governance and Technology Solutions

Digital Locker

- **Document Storage:** Securely store and access government-issued documents like Aadhaar, PAN, and educational certificates.
- **Document Sharing:** Provide authenticated documents for various applications without physical copies.

CSC (Common Service Center) Ecosystem Integration

- **Digital Services:** Incorporate CSC offerings like railway ticketing, e-health, and voter registration.

GST Registration and Filing

- **Business Support:** Assist small businesses with GST registrations, filings, and returns.

12. Social Security and Welfare Schemes Promotion

National Social Assistance Programme (NSAP)

- **Old Age Pension:** Facilitate applications for Indira Gandhi National Old Age Pension Scheme (IGNOAPS).
- **Disability Pension:** Apply for Indira Gandhi National Disability Pension Scheme (IGNDPS).
- **Widow Pension:** Support for Indira Gandhi National Widow Pension Scheme (IGNWPS).

PM Ujjwala Yojana (PMUY)

- **LPG Subsidy Enrollment:** Free LPG connections for women from BPL families.

Pradhan Mantri Awas Yojana (PMAY)

- **Affordable Housing:** Help eligible citizens apply for urban and rural housing schemes.
- **Credit Linked Subsidy:** Facilitate loans with interest subsidies.

Mid-Day Meal Scheme Integration

- **Local Monitoring:** Ensure implementation and track food quality in schools.

Sukanya Samriddhi Yojana (SSY)

- **Girl Child Welfare:** Encourage parents to save for daughters' higher education and marriage.

13. E-Commerce and Retail Services

Hal E-Marketplace

- **Agri-Produce Sales:** Enable farmers to sell crops and produce directly to buyers.
- **Transparent Pricing:** Access to real-time market rates and pricing.

Local Product Sales

- **Handicrafts and Artisan Goods:** Showcase and sell locally made products through e-commerce.
- **Customized Supply Chains:** Support bulk order management for rural products.

Digital Wallet Services

- **Cashless Transactions:** Integrate popular wallets like Paytm, PhonePe, and UPI for payments.
- **Recharge & Bill Payments:** Simplified recharge and utility bill services.

14. Logistics and Transportation Services

PM Gati Shakti Scheme

- **Rural Logistics Hubs:** Establish drone-based delivery for farm produce and essentials.
- **Warehousing & Cold Storage:** Enable efficient supply chain management for perishables.

Drone-Based Delivery Services

- **Last-Mile Connectivity:** Use drones for quick delivery of essential goods, medicines, and emergency supplies in remote areas.

Transport Service Integration

- **Booking Assistance:** Facilitate bus, train, and local transport bookings.
- **Cargo Services:** Freight booking for larger logistics needs.

15. Women Empowerment Schemes

Self-Help Group (SHG) Support

- **Livelihood Opportunities:** Promote rural women entrepreneurship through SHGs.
- **Micro-Financing:** Link SHGs to government loans and subsidies under NRLM.

Hal Didi Initiative

- **Digital Training:** Empower rural women in precision farming, drone operations, and digital marketing.
- **Entrepreneurship:** Set up हल सेंटर operated by women for rural services.

Mahila E-Haat

- **Online Marketplace for Women:** Promote products crafted by rural women through digital platforms.

16. Healthcare and Sanitation Services

Ayushman Bharat - Health & Wellness Centers

- **Preventive Healthcare:** Offer free health check-ups and diagnostics in rural clinics.
- **Telemedicine:** Remote consultations with doctors for primary and specialized care.

Sanitation Services

- **Construction of Toilets:** Support under Swachh Bharat Mission for household and community toilets.

Health Camps

- **Periodic Check-Ups:** Organize medical camps for common ailments and early detection of diseases.

17. Environmental and Renewable Energy Services

PM KUSUM Yojana

- **Solar Pumps:** Assist farmers in applying for solar-powered irrigation systems.
- **Solar Panel Installation:** Enable power generation through rooftop solar solutions.

Afforestation Initiatives

- **Tree Plantation Drives:** Collaborate with local authorities for green cover enhancement.

- **Waste Management Systems:** Promote waste segregation and recycling.

18. Disaster Management and Relief Services

National Disaster Response Framework

- **Early Warning Systems:** Set up drone-based surveillance for floods, landslides, and forest fires.
- **Relief Distribution:** Drone-enabled delivery of relief supplies like food, medicine, and shelter kits to affected areas.

Weather Forecast and Monitoring

- **IMD Data Integration:** Provide real-time weather updates to farmers and local communities.
- **Crop Insurance Advisory:** Help farmers secure compensation for weather-related crop damage under PM Fasal Bima Yojana.

19. E-Court Services and Legal Aid

E-Court Services

- **Online Case Filing:** Enable citizens to file cases, petitions, and complaints online for swift resolution.
- **Virtual Court Hearings:** Facilitate virtual hearings for rural citizens who cannot attend in-person sessions.
- **Digital Case Tracking:** Provide access to case statuses, documents, and hearing dates via mobile apps and websites.

Legal Documentation Assistance

- **Digital Legal Aid:** Help rural citizens with online legal consultation and documentation.
- **Affidavit and Agreement Services:** Facilitate the creation and submission of legal documents through digital platforms.

20. E-Panchayat Services

Online Grievance Redressal

- **Complaint Registration:** Provide a platform for rural citizens to register grievances and track progress.
- **Transparency in Governance:** Ensure that panchayats provide transparent reporting on local issues and budgets.

Digital Village Governance

- **E-Panchayat Portal:** Connect villages with government services, provide information on policies, and support online applications for various schemes.

- **Real-Time Service Delivery:** Ensure that citizens can access essential services like certificates, permissions, and applications digitally.

Village Resource Management

- **Digital Land Records:** Enable citizens to view and update land records through e-Panchayat portals.
- **Agricultural Schemes:** Support farmers in applying for government agricultural subsidies and schemes digitally.

21. E-Governance and Digital Kiosk Services

National e-Governance Plan (NeGP)

- **Digital Service Delivery:** Ensure all government services are accessible to citizens via digital platforms.
- **Online Document Verification:** Provide e-services for document authentication, such as educational certificates, land titles, and more.

Aadhaar Linking and Services

- **Aadhaar Seeding:** Assist in linking Aadhaar numbers with various services such as banking, subsidies, and pension plans.
- **eKYC:** Facilitate digital identity verification for financial and governmental services.

MyGov Platform Integration

- **Citizen Engagement:** Enable citizens to participate in governance through surveys, suggestions, and feedback forms.
- **Awareness Campaigns:** Use digital platforms to raise awareness about government policies, schemes, and public health initiatives.

22. Renewable Energy and Sustainable Development

Ujala Yojana

- **LED Distribution:** Promote energy efficiency by distributing subsidized LED bulbs and appliances.
- **Awareness Campaigns:** Educate on energy conservation and sustainability.

Biogas and Waste-to-Energy Solutions

- **Rural Biogas Plants:** Facilitate installation for clean cooking fuel and electricity generation.
- **Waste Management Initiatives:** Implement programs for recycling and composting organic waste.

Rainwater Harvesting

- **Infrastructure Development:** Set up rainwater harvesting systems to combat water scarcity.

23. Rural Tourism and Cultural Preservation

Incredible India Campaign

- **Homestay Promotion:** Support local communities in offering tourism services like homestays and guided tours.
- **Cultural Events:** Organize festivals and exhibitions to showcase local art, crafts, and heritage.

Eco-Tourism Initiatives

- **Nature Trails and Safaris:** Develop eco-friendly tourism circuits in rural areas.
- **Community-Based Tourism:** Engage locals in providing authentic rural experiences to visitors.

24. Educational Services

Sarva Shiksha Abhiyan (SSA)

- **School Enrollments:** Help children access free primary and secondary education.
- **Digital Learning Solutions:** Provide e-learning tools like tablets pre-loaded with educational content.

Scholarship Programs

- **National Scholarship Portal:** Assist students in applying for government scholarships.
- **Minority & SC/ST Scholarships:** Special schemes for underprivileged students to support higher education.

Adult Literacy Programs

- **Digital Literacy:** Offer courses in basic computer skills, internet usage, and mobile applications.

25. Agriculture Equipment and Input Distribution

Sub-Mission on Agricultural Mechanization (SMAM)

- **Subsidized Equipment:** Provide access to tractors, harvesters, and other machinery at discounted rates.
- **Custom Hiring Centers:** Facilitate machinery rentals for small and marginal farmers.

Seed Distribution and Fertilizer Subsidies

- **PM Fertilizer Subsidy Scheme:** Ensure timely delivery of subsidized fertilizers to farmers.
- **Certified Seed Programs:** Distribute high-yield variety seeds for better crop productivity.

26. Rural Entrepreneurship Development

Startup India Initiative

- **Incubation Support:** Offer mentoring, funding, and co-working spaces for rural startups.
- **Innovation Challenges:** Encourage problem-solving in sectors like agriculture, healthcare, and logistics.

Stand Up India Scheme

- **Loans for Women and SC/ST Entrepreneurs:** Facilitate funding of ₹10 lakh to ₹1 crore for greenfield projects.

27. Health and Nutrition Services

Integrated Child Development Services (ICDS)

- **Supplementary Nutrition:** Provide food and nutritional support to children, pregnant women, and lactating mothers.
- **Health Check-ups:** Conduct regular health and immunization camps for children.

Poshan Abhiyan

- **Nutritional Awareness:** Promote healthy eating habits among rural households.
- **Tracking Malnutrition:** Monitor and address malnourishment cases in children.

28. Industrial Development and MSME Support

MSME Development Programs

- **Credit Support:** Facilitate loans and subsidies under Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE).
- **Technology Upgradation:** Support rural industries in adopting modern technologies for production.

Cluster Development

- **Rural Industrial Hubs:** Establish clusters for textiles, food processing, and handicrafts to enhance rural employment.

29. Digital Farming and Precision Agriculture

AI & IoT Solutions for Farming
<ul style="list-style-type: none">• Smart Irrigation Systems: Enable water-saving and precision nutrient applications.• Crop Health Monitoring: Use sensors and drones for real-time plant health tracking.
Farm Management Platforms
<ul style="list-style-type: none">• Digital Advisory: Offer crop recommendations, pest management tips, and weather-based alerts.• Yield Estimation Tools: Use AI-driven tools for accurate yield forecasting.
