SPONSORSHIP PROPOSAL

ONE LAST WORLD CHAMPIONSHIP RUN

MARVIN GLENN JONES JR.

Representing the U.S. Martial Arts Team at the 2027 World Games. Help me finish a dream that began over four decades ago.

WHY THIS MATTERS

EVERY ATHLETE REACHES A POINT WHERE THE OPPORTUNITIES RUN OUT.

This is mine.

Most people let childhood dreams quietly disappear. I'm choosing to chase mine one final time.

Whether I stand on top of the podium or not, I want to know I gave everything I had. When this journey is complete, I'll spend the rest of my career helping others reach their own goals.

Your sponsorship doesn't simply fund travel. It becomes part of a story about courage, perseverance, and refusing to let dreams expire.

THE STORY

THIS IS MY FINAL RUN.

For more than 40 years, martial arts has shaped every part of my life.

It taught me discipline as a child. It gave me confidence as a young man. It made me a teacher, a coach, a mentor.

Now, at 47 years old, I have one final competitive goal: to become a World Champion. After this campaign, I plan to shift my focus almost entirely toward coaching, developing athletes, and helping my students reach their own dreams.

This isn't about rebuilding a competitive career. It's about finishing the journey I started as a kid, and I'm asking you to help me write the final chapter.

47 years old, chasing the childhood dream one final time. Most people let those dreams quietly disappear, and I'm choosing not to.
