

WEST 7TH VIBE

Grant Funds Available

West 7th VIBE is a community-powered initiative designed to energize the West 7th corridor through a series of public art installations, creative business collaborations, and free, hyper-local events. The VIBE program offers grants to artists and businesses who want to bring vibrancy and visibility to the corridor.

VIBE is designed to amplify neighborhood identity, increase foot traffic, and create inclusive economic opportunities by supporting two types of community-facing initiatives.
