

Community Engagement and Fundraising Committee Meeting July 18, 6:30PM

In attendance: Hayden Kilkenny, Kelsey Peterson, Maggie Rock, Korinne Gerhart

The committee met at Bad Weather Brewing to discuss the idea of having a fall fundraiser at the location. We were able to look at the community room area and get a feel for what we want the event to look like.

A working name for the event is "A Lil Taste of West Seventh" and the idea would be to get local restaurants to donate food, and charge a fee of \$10-15 for community members to enter the room and sample some food.

Ideas of music, bean bags, fire pits, raffles were also brought up.

At the event, we will recognize the winner of the community member recognition award. Hayden will get a plaque made for that.

Restaurants to approach include: Degidios, Claddaugh, Keenan's, Joe & Stans, Shamrocks, Bennetts, Burger Dive, and Skinners. Other businesses can be approached to donate prizes.

The idea was brought up to combine the Little Bohemia Neighborhood Association with the FRF Community Engagement Committee. This will be brought to the board at the next meeting.

Action items include:

- speak with Joseph G from Bad Weather about possible dates of Sept 28 or Oct 19

- have a plaque created

- speak with business/restaurant owners about donating to the event
