What Does This Q&A App Do For Me As An advisor*?

Allows Your Top Clients To Share Your Q&A URL To Send Referrals To You 24/7.

Who's the Q&A App for?

Driven, professional advisors.

What's the premise?

[Enlarge infographic](#) (image)

What's unique about this app:

It can send same-day referrals from an advisor's top clients (without asking) even though it's ONLY shared with the advisors top 10 to 25 clients.

How does it work?

Within the software, an advisor fills-in-the blanks (3rd grader simple) THEN

*hits publish. Instantly a personal [LANDING PAGE](#) & URL is generated. Here their top clients & client networks have a place to Q&A with the expert...The Advisor (COVID's poured fuel on the need for advisor help). **This dedicated platform to Q&A opens up 1,000's of prospective referrals who have questions, need a 2nd opinion or advisor services. Clients can also Q&A here, uncovering unknown needs & strengthening relationships.***

Hmm, it's starting to make sense. Have a DEMO? *Heck yeah! Follow the URL below. Be sure to "test it" by asking a question ("what color is the sky" can be your question) askmyadvisor.app/painewebberjames*
