

Erosion Resources & Supply Capability Statement

Erosion Resources & Supply has more than 15 years' experience providing DOT approved products and accurate information about their use in Highway projects. ERS provides items for Stormwater Management, Geotextiles and Geogrids, Pipe and Castings, Bridge Deck Coatings and much more. ERS staff understand the federal, state and local requirements for all items we sell.

- Erosion Control Blankets, Silt Fence, Filter Socks , Sand Bags, Dewatering Bags are always in stock
- Geotextiles and Geogrids to meet DOT specifications are always in stock
- Drainage, Water, Sewer Pipe, Fittings and Castings are stock items
- Polymer Bridge Coatings and Polychloroprene Bridge Joints are available.

ERS has been a DBE supplier for INDOT, City and County projects for many years. Some of our largest projects have been with the following Prime Contractors-

- E&B Paving
Neil Stroud (neil.stroud@ebpaving.com)
INDOT since 2012
City of Evansville since 2012
- Ragle, Inc
Hunter Fields (hfields@ragleinc.com)
INDOT since 2008
City of Evansville since 2010
Army Corps of Engineers 2014
- JBI, Inc
Casey Lasher (casey@jbiconst.com)
INDOT since 2010
City of Evansville since 2010

What makes Erosion Resources & Supply different?
