CAPABILITY STATEMENT

“We’re About Changing the World ...One Job at a Time”

Company Overview:

Blue Fire Fusion, LLC. Implements a job creation and vocational realignment platform to install, service & commission leading edge HVAC technology, utilizing underdeveloped labor from disadvantaged minority communities. We provide training in the technical, business development, operational, and entrepreneurial aspects of the HVAC services industry to create a for-profit company. We then invest resources in the newly formed company, provide ongoing advice, counsel & growth strategies.

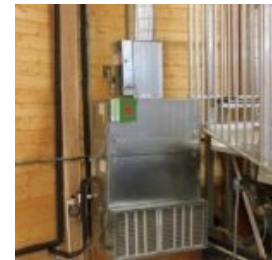

Blue Fire Fusion partners with leading edge HVAC technology manufacturers to provide HVAC products to residential and commercial projects by builders, developers, government, Native Americans, and other building-related entities.
