

CAPABILITY STATEMENT

American Global Management (AMG) is a full-service security and protection services company. For nearly a decade, our security professionals and patrol guards have protected the assets of businesses, non-profit organizations, and a variety of government agencies. AMG is a Service-Disabled Veteran-Owned Small Business (SDVOSB) and is honored to employ the industry's top-tier security specialists, including our nation's veterans and former law enforcement officers. When you choose AMG, you can rest assured knowing that your organization's most valuable assets will be protected.
