Capability Statement

In business since 2006 and over 35 years of experience, Peyton's Barricade & Sign Company is fully prepared and capable of taking care of your traffic control needs.

We strive to meet our customers' needs with efficiency and professionalism. Our wide selection of traffic control and safety equipment includes items available for sale and rental. We also specialize in services such as short term traffic control set-ups as well as permanent sign installation.

All of our equipment is MUTCD compliant and meets NCHRP 350 standards.

We are INDOT pre-qualified and DBE certified. Our staff is ATSSA trained and certified.
