

ENTERPRISE MANAGEMENT SOLUTIONS, LLC

Exceeding expectations is the new normal

OVERVIEW:

Enterprise Management Solutions, LLC is a Minority Woman Business Enterprise servicing contracts stateside and abroad by delivering world-class Engineering and IT Consulting Services. Our personnel hold Department of Defense Secret Level Security Clearances and are current in new technologies, client-dedicated, and uphold the highest professional standards in engineering best practices while exceeding customer expectations for product and service delivery. We follow a “Cradle to Grave” mentality—we track project progress from start through completion to ensure customer satisfaction every step of the way.
