***We protect today, so you never have a real bad tomorrow.***

ITCLEANPRO provides business products and service to agencies, schools, non-profits, and small businesses. *We match your business needs to **non-developmental products/software** coupled with **janitorial & facility maintenance**. We have *formed relationships* with **CISCO, HP, DELL, LENOVO, C2G** and others to meet your needs with commercial products, services and follow-on support, including but not limited to router, switches, wireless, servers, laptops, and printers. WE ARE: One Company & One Invoice that is easy for YOU to *manage, keeping you in control*. So **You can FOCUS on want you do**. We are **Vets** with products and services you can "trust", that is our "promise".*

## **Differentiators:**

- **We are personalized, not franchised** and can adjust to changing requirements without all the corporate "red-tape" and expense.
- We are a registered **minority-disadvantaged company**, as a **SDVOSB** and **DBE** with both the Federal and State governments.
- **We can manufacture:** wiring harnesses, wire/cable kits and other network cabling for easy on-site installation and hook-up.
- We also provide **Janitorial and Maintenance Support**. Our Janitors are "in-tune" with technology. They are the "eyes and ears" of our technical staff. Their daily/weekly presence eliminates issues that are *transparent to the customer*.
- We have a "keep-fill" ability for consumable supplies, *so you never run-out of something*.
- ***We specialize in office moves, and upgrades.***

## **How do we do it....**
