## CORE COMPETENCIES

H&H Associates is a woman-owned consulting firm established in 2008, we provide our clients with extensive historical and preservation knowledge. Our projects range in scope from bank relocations and cell phone towers, to large-scale transportation undertakings involving multiple state and federal agencies. H&H services include:

- ✧ Section 106 Compliance for 5.10 Historical/Architectural investigations for a variety of government agencies including the FHWA/INDOT, HUD FDIC, and EDA
- ✧ Cemetery development plans
- ✧ NRHP Determination of Eligibility, Architectural field surveys
- ✧ National Register of Historic Places Applications
- ✧ Historic bridge and building photo documentation

## PAST PERFORMANCE

H&H Associates has worked on numerous transportation projects managed by Local Public Agencies (LPAs), INDOT and the FHWA. These include:

### **I-69 and 116th Street Interchange in Hamilton County, Indiana:**

Completed the Section 106 Compliance for this INDOT/FHWA-sponsored project that included the construction of a new interchange and roundabout

### **Worthsville Road Improvements Project:**

FHWA/INDOT-sponsored project which called for reconstruction of a three mile long corridor in Johnson County, Indiana; the project required mitigation efforts due to the presence of historic properties within the project area

### **Bridge No. 197 Photo Documentation:**

Completed for Wayne County, Indiana. H&H followed the appropriate standards as issued by the Indiana Department of Natural Resources

### **Logansport Comprehensive Plan:**

Provided planning recommendations and assisted with the development of design guidelines for the City of Logansport's 2009 Comprehensive Plan
