

CAPABILITY STATEMENT

CORE COMPETENCIES

1st Class Logistics LLC was founded in South Bend, IN by Bernard Coutee in 2013. In the beginning the company specialized in heavy steel hauling, and in 2018 we diversified our services and began to offer dump truck hauling. 1st Class Logistics became a certified MBE and DBE with the state of Indiana in 2020.

We provide hauling services for steel processors, as well as road construction and building contractors.

We specialize in hauling:

- ✓ **STEEL COILS**
- ✓ **STEEL SHEETS**
- ✓ **ROAD CONSTRUCTION MATERIALS** including but not limited to asphalt, gravel, sand, stone, wet concrete, and rip rap.

PAST PERFORMANCES

RIETH-RILEY CONSTRUCTION

Hauled wet concrete, 8 limestone, 53 gravel, asphalt and rip rap over a two year US 31 Road Reconstruction Project in South Bend, IN.

PHEND & BROWN

Hauled road millings and asphalt for SR 13 Road Resurface Project in Millersburg IN.

JCI BRIDGE

Hauled rip rap for Bridge Reconstruction Project on SR 933 in South Bend, IN.

MILESTONE CONSTRUCTION

Hauled road millings and asphalt for Road Resurface Project on SR 23 and SR331 in South Bend, IN.

DIFFERENTIATORS

SAFETY FIRST

We focus on safe and time efficient deliveries. Unsafe driving and actions can lead to unnecessary delivery delays which effects productivity. We train our drivers to not take short cuts in regard to safe driving.

RELIABLE

Reliability is something that can only be proven by action. We strive to prove this by pre-planning and showing up on time everyday, for every delivery.
