

**Circle City Rebar, LLC**  
**REINFORCING THE FUTURE**

**Continuing to Raise the Bar!**

**“We don't make schedules, we perform to yours”**

**Circle City Rebar, LLC** is a leading fabricator of concrete reinforcing steel, serving the Midwest commercial and industrial construction markets for more than fourteen years. Independently owned and without constraints, when it comes to delivery service. Our fabrication capability is backed by the latest industry equipment capable of satisfying the most complex projects. We carry an inventory of all bar sizes in both epoxy & plain, and have established great relationships with our mill suppliers. At Circle City Rebar we believe our reputation is our most valuable asset. We strive every day to honor our commitments and meet the needs of our customers. **Get to know us, you won't be disappointed!**

**CAPABILITY STATEMENT**

**Core Competencies:**

- Estimating Detailing
- Fabrication
- Concrete Accessories
- Project Management
- Onsite Services
- New Bridge Construction
  - Deep Foundations
