DIFFERENTIATORS

We take pride in providing our customers with a speedy response, easy scheduling, seamless services, and competitive prices.

We specialize in helping employers prevent loss due to work-related injuries and foodborne illnesses.

We will demonstrate a shared interest in your company's success.

Code-Keepers LLC Safety and Health Compliance Specialists can create your safety program based on OSHA requirements for COVID-19, Hazard Communication, Emergency Action Plan, Fire Safety, Exit Routes, Walking/Working Surfaces, Medical and First Aid, as well as Recordkeeping and more.

We have proven success in developing Safety Training for experienced INDOT highway roadside mowing, sweeping, clearing, excavation, and demolition contractor(s), and successfully managing corporate behavior-based safety, health, and environmental VPP compliance programs, ensuring adherence to company policies, standard operating procedures, and applicable safety and health codes.

OUR CORE SERVICES INCLUDE:

- ✓ COVID-19 GUIDANCE & RECOVERY PLAN
- ✓ COMPREHENSIVE GAP ANALYSIS
- ✓ SAFETY PROGRAM DEVELOPMENT
- ✓ JOB EXPOSURE ANALYSIS
- ✓ SAFETY TRAINING & EDUCATION
- ✓ HAZARD IDENTIFICATION INSPECTION
- ✓ ACCIDENT ASSESSMENT REPORT
