WHO WE ARE

Direct Path Alliance is a woman and minority owned business that helps firms align and calibrate their operations for peak performance. Collaboration, transparency and accountability inform every aspect of who we are and what we do. With decades of experience in both the public and private sectors, our highly trained consultants understand how to leverage diverse strengths and perspectives to yield the most powerful results. Simply put, we provide a direct path — paved with practical and strategic solutions — to help companies grow.

The path to success starts with the right partner.
