

# InCommunities Consulting L.L.C.

## Overview:

Originated in 2015, InCommunities Consulting, LLC is a certified Minority Woman-Owned administrative management consulting firm. InCommunities is abbreviated for Innovative Communities as we pride ourselves on creating innovative and impactful solutions to achieve our clients' intended success. Our firm was established to offer specialized consulting solutions promoting organizational effectiveness, diversity & inclusionary business practices and solutions for organizations and governmental agencies. We utilize a servant-leadership collaborative approach to identify success strategies and implement customized solutions for our clients and the communities they serve. Delivering customized management consulting services is our highest priority to meet the needs of our clients and the communities they serve first. A special emphasis is placed on understanding our customers' key processes to improve organizational structures and fiscal responsibility to ensure program sustainability.
