JVB GROUP LLC

ABOUT US

JVB Group LLC founded in 2007, formed subsidiary Restored Safety and Security Consulting in 2015. Restored offers experienced job site and workplace safety consultants with over 30 years of combined experience.

Restored Safety & Security Consulting works with employers in Power Generation, Manufacturing, Steel, Construction, and many other industries in a wide range of project types and scope.

Our capabilities are best summarized to include construction safety support, safety management, safety consulting, and safety training.

Differentiators

- Restored Safety provides workplace health and safety training and OSHA compliance training.
- Our training approach allows employees to achieve behavior modification results by targeting specific groups of employees.
- Restored Safety's professional trained and OSHA authorized instructors can develop training curriculums adapted to your business and culture.
