

CAPABILITY STATEMENT

CORE COMPETENCIES

LBC Coast To Coast Logistics is a third-party logistics company that assists with freight arrangements between shippers and carriers. We help find a carrier that meets the FMCSA regulations, such as carrying an active DOT and MC#, active insurance, and satisfactory rating on inspections and crashes.

OUR CAPABILITIES

- ✓ FREIGHT ARRANGEMENT
- ✓ HAUL FREIGHT AND VEHICLES
- ✓ HOUSEHOLD MOVES
- ✓ OPERATE AND CONTROL EQUIPMENT

Excellent Customer Service, powered by extensive industry experience and dependable client communication.

Brittany Doss has been in the transportation business since 2016. She started by assisting a trucking company with dispatching loads and building relationships with shippers. In September 2016, she attended Brooke's Transportation school in Jacksonville, FL, where she trained to run and work at a freight brokerage. She received a Freight Broker Certificate, and subsequently got her LLC and operating authority.

OUR FLEET INCLUDES:

Step-deck | Flatbed | Dump truck | Car Hauler | Lowboy | RGN | Dry Van
