CAPABILITY STATEMENT

CORE COMPETENCIES

Scruggs Construction Inc., founded in 1969, is a third generation family-owned and operated concrete contractor company. As the company grew, our services included **high quality residential, commercial, and decorative concrete services**. In the past several years we have expanded further, and in addition to concrete work we also offer **excavation and demolition services**.

Scruggs Construction was built on high quality concrete work, and our qualified concrete experts continue to provide highest quality workmanship. We are a self-performed contractor, with a knowledgeable and experienced crew that can design intricate plans, oversee delivery, and ensure the concrete is poured correctly.
