FEE GUIDE – Notes

1. During an extensive or phased course of treatment we would appreciate if we could receive payment after each item / phase of treatment.
2. If work needs to be sent to a dental laboratory, **we request that you pay 10% or a minimum of £300 when the particular treatment commences.**
3. Please enquire about our **Dental payment plans. Adult Plans** start from **£21.22/month (reviews annually every April)**
4. Treatment cost is determined by materials used, clinical time allocation, case difficulty and laboratory expenses. We routinely give a written estimate for courses of treatment. If circumstances change during an extensive course of treatment, you will be advised and any implications in cost will be explained and a revised treatment plan will be given.
5. * **FREE** discounted examination for **CHILD** patient **under 5 years**, when family member of an ADULT patient registered with the Practice Membership Plan. If discount NOT applicable, fee for examination of children under 5 years applies

Please do not hesitate to request a written treatment plan at any stage. As a rule, we try to keep you informed at all times.
