FEE GUIDE – Notes

1. During an **extensive or phased** course of treatment we would appreciate if we could receive payment **after each item / phase** of treatment.
2. If work needs to be sent to a dental laboratory, we would request that you pay **10% or a minimum of £100** when the particular treatment commences.
3. Please enquire at the desk about our **Dental payment plans**.
4. Treatment cost is determined by materials used, clinical time allocation, case difficulty and laboratory expenses. We routinely give a written estimate for courses of treatment. If circumstances change during an extensive course of treatment, you will be advised and any implications in cost will be explained and a revised treatment plan will be given.
5. * FREE discounted examination for CHILD patient under 5 years, when family member of a fee paying ADULT registered patient at the practice. If discount NOT applicable, fee for examination of children from 5-16 years applies

Please do not hesitate to request a written treatment plan at any stage. As a rule, we try to keep you informed at all times.
