

BOARD ELECTIONS NOVEMBER 2024

Board elections are held every TWO years. Early this Fall 2024, preparations will begin. We are looking for individuals with solid sobriety who are working a 12-step recovery program, are eager to use their individual skills and abilities to oversee certain areas/activities and improve the quality of our club.

Your service as a Board member can help shape the future of our club. We aim to grow awareness within our community, club membership, increase service worker volunteer participation and leave the club better than we found it.

Questions? Please email:
