AUGUST 2023

Volume: 2 Issue 2

Created by: Jeanine Jessup

KEEP COMING BACK!

Welcome to the SECOND issue of the Serenity Club Newsletter. It has been an exciting year in the making.

Last year "You Are No Longer Alone!" was the featured heading of the FIRST issue of Volume 2. It was chosen because it is one of the first (and likely original) signs you will see as you enter the club and look up to the right. This year, I chose to highlight "**Keep Coming Back!**" It is the other prominent sign that you will see when you look up as you leave the meeting area. "*Keep coming back!*" is also a response many long-time meeting attendees provide when others share they are new to recovery during and after meetings. I remember how important those words were when I first entered the club and still are today.

There is always a lot happening at the club that we want to share. Whether you are newly sober or have remained sober one day at a time for years, we want you to feel comfortable, safe and like FAMILY while at the club. Remember, **YOU ARE NO LONGER ALONE** when you enter the Serenity Club, Inc.
