

LIABILITY AND MEDICAL RELEASE

READ CAREFULLY—THIS A RELEASE OF LIABILITY

We, the parents of _____, do give consent for our child/player to participate in HFC Warriors practice, games and tournaments along with all related activities.

We release from liability any HFC Warriors staff, coach or officer from any claim or accident or injury while our player is participating in a HFC Warrior activity.

We recognize that there is a great potential for accident or injury in the participation in athletic events and as consideration for our player to participate in HFC activities, we release HFC Warriors from all liability and hold it harmless and will indemnify it from all claims for accident or injury that comes from participating in an HFC Warrior athletic event. As parents, we and on the behalf of our player assume the risk of harm associated with accidents or injuries arising from participating in an athletic event.

In the event of an emergency, I authorize representatives of the HFC Warriors to seek medical attention for my player for any injury arising from participating in an HFC Warrior athletic event.

I represent that I have read the terms of this Liability and Medical Release and understand its contents and agree to its provisions.
