**Meet a new and unique product in the wallpaper industry – Ecodeco™.**

**It provides an innovative green alternative for the production of your favorite wallpaper in an environmentally friendly way.**

<b>MIGRATION-FREE</b>		Ecodeco wall coverings have similar appearance and quality as PVC wall coverings, but without plasticiser odour.
<b>CLEAN PRODUCTION</b>		During production with Ecodeco materials 0 % emission occurs - no need for fume collection and incineration, odour-less in production.
<b>PVC-FREE</b>		
<b>HEALTHY</b>		Ecodeco wall coverings have absolutely no odour, no volatile chemicals migrate to in-room air.
<b>ECOLOGICAL</b>		Contains no harmful components and eco-friendly.
<b>PRACTICAL</b>		Ecodeco wall coverings have the same properties as PVC in terms of wear resistance, washability and appearance.
<b>SUSTAINABLE &amp; RECYCABLE</b>		After end of wall coverings life cycle, energy can be easily recovered by incineration, or by re-processing.
