Send us the information and we shall send you the artwork for approval.
You approve it and we print it.

Wallpaper is much more than just a decoration!
Wallpaper is the expression of personality of each individual.
Nothing defines the atmosphere in a room more than the walls and once we understand how patterns can change rooms and what powers of expression they possess, our design options expand.
Who understands it better than Excel with an experience of nearly two decades in wallpapering. Here we bring you our latest collections of digitally printed wallpapers of your choice and size.
