Interior with basic geometric arrangements, delicate three-dimensional effect and solid color palette would deliver us the ease and comfort as well as the creation of likley space by combining bold and contrasting geometric, color and patterns.
Vintage flower pattern wallpaper gives us the feeling that we are re-connected with nature and that we are under protection.
Interior with basic geometric arrangements, delicate three-dimensional effect and solid color palette would deliver us the ease and comfort as well as the creation of lively space by combining bold and contrasting geometric, color and patterns.
It is recommended to place big plants such as foliage plants to remind of refreshing and cool Mediterranean or the tropical regions. It will not only bring the natural beauty and energy of the house but also it will be the familiar and comfortable space for us.
