## Pakistan's ISI: The Invisible Government

SEAN P. WINCHELL

International Journal of Intelligence and Counter Intelligence, 16: 374-388, 2003

Since partition, no political force within Pakistan has driven the nation's domestic and international political agenda as has its army, and more specifically, one of its intelligence units, the Inter-Services Intelligence (ISI) agency. Comprised of the three branches of Pakistan's military, the Army, Navy, and Air Force, the ISI, in its time has been linked to political assassinations, the smuggling of heroin and opium, and the smuggling of materials and components for nuclear weapons. From headquarters on Khayban-e Suharwady Street in Islamabad, the ISI has

worked to suppress political opposition to the military regimes that have dotted Pakistan's political landscape since 1947.

It has also embraced radical Islamic extremism and worked with the United States in aiding the Afghan mujahideen in expelling the Soviets from Afghanistan. At the same time, it has been charged with using Islamic militants in a campaign of terror to wrench control of the provinces of Jammu and Kashmir from the Indians. Now, in light of the events of 11 September 2001, ISI's exploits over the course of the last fifty years have entered into the Western Hemisphere's mainstream press as the United States is compelled to work with the organization in pursuing its war on terror.

## Senator Salma Attaullahjan Senator Conservative Party of Canada

Canada's Senator from Conservative Party, Salma Attaullahjan, has troubling and ongoing associations with Pakistan's intelligence agency, ISI. This intelligence agency is responsible for ongoing terrorist attacks against India, NATO, and the Canadian Armed Forces. Here are just two news stories. Canada's former Ambassador to Afghanistan and former Conservative Immigration Minister Chris Alexander points to Pakistan as a state sponsor of terrorism. This is corroborated by Intelligence Analyst Tom Quiggin.

Pakistan a state sponsor of terrorism, Chris Alexander says

Kabul bombing: Canadian embassy suffered 'significant' damage

<https://www.bbc.com/news/world-asia-40132368>

*"No militant group has yet claimed the attack, perhaps because of the high civilian death toll. But Afghan authorities have accused the Taliban-linked Haqqani network and Pakistan's intelligence service, the ISI, of being behind the attack."*

Despite these disturbing assertions Conservative Senator Salma Attaullahjan arranged for Pakistan's Ex-Chief Justice Mian Saqib Nisar with Canadian \*Khalistani leader, Sukhminder Singh Hansra, in Parliament Hill on March 19th, 2019.

Canada's public safety Report clearly states 'Khalistan Movement' a threat to Canadian Security, yet Senator Salma Attaullahjan invited Khalistani leader along with several Khalistanis in the parliament on Pakistan Day. Mr. Hansra (Khalistani leader) spoke in his speech to dismember India and Senator Salma Attaullahjan extended the platform for Mr. Hansra to speak and recorded and promoted his speech.

Does the conservative party endorse one of its members, a senator, actively engaging with Khalistani extremists and a foreign intelligence agency engaged in terrorist activity?

Mr. Sukhminder Singh Hansra's endorsing his friendship with Senator Salma Attahullahjan.

Mr. Hansra the leader of the Khalistani independence movement was given the opportunity by Salma Attahullahjan to meet Pakistan's Ex Chief Justice Mian Saqib Nisar who is suspected of direct influence of both the Pakistan Army and ISI.

*Ishaq Muhammad with Mian Nisar Ahmed, Ex Chief Justice of Pakistan,*

Mian Nisar Ahmed is strongly sympathetic to Pakistan Army and raised over a Million Dollar in Canada for a damn in Pakistan. Funds were not raised in accordance to CRA Rules and Regulations. Mr. Ahmed collected over a quarter million dollar cash without any proof and it is alleged that Ex Chief Minister has appropriate the monies personally.

It is believed by many within the Pakistani community that Senator Salma Attahullahjan with the help of Ishaq Muhammad is actively trying to influence candidate acclamation for specific candidates through Jeff Trinh to get ISI linked Pakistani acclaimed Candidates. These candidates do not have a strong command of the English language and are close allies of people surveilling and threatening members of the Pakistani community within Canada. This is the very definition of political entryism by an Islamist group and has the potential to destroy the conservative party and have significant effects on Canada's national security. The most alarming aspect is that there seems to be knowledge of the nefarious connection of these acclaimed candidates as Mr. Trinh's response to these and similar concerns was, "these ridings aren't winnable anyway."

# Iftikhar Choudhry

## Candidate: Humber River-Black Creek

Ishaq Muhammad welcomes Iftikhar Choudhry as an acclaimed candidate. Jeff Trinh selected Mr. Choudhry as the preferred candidate in humber-river black-creek. Iftikhar does not speak English, and according to multiple sources within the pakistani community, he has two cousins and an uncle all working for the Pakistan Interservice Intelligence AgencyI. Also according to sources within the pakistani community Iftikhar Choudhry has appointed his undeclared second wife as a campaign manager. Like many islamist or Muslims extremists, he has two wives. This news is likely to break soon.

Irshad Chaudhry  
Candidate: Scarborough Centre

*Irshad Chaudry with Salma and other Liberals*

Irshad Chaudry Candidate from Scarborough Centre, Irshad Chaudhry has always been a staunch Liberal supporter but upon Ishaq's advise he sought the conservative nomination. He is close ally and friend of Islamist Liberal MP Salma Zahid who has strong ties to the muslim brotherhood. She advised him to become a Candidate for Conservative Party. She knows it's easy for her to defeat a weak candidate from Conservative Party. She didn't want to face a strong candidate from other community. She told Irshad that the riding would stay in Pakistani control even she loses to Irshad. Irshad Chaudry has a very basic command of the English language.

## Zia Choudhry Candidate: Toronto-Danforth

Ishaq lobbied Jeff Trinh at CPC headquarters to ensure Zia Choudhry was acclaimed as the Toronto-Danforth candidate. Zia is linked with Danforth Meinda Mosque one of the most extremists mosques in Ontario. The Median Mosque is one of the 13 mosques that hosted Saudi Cleric and Islamist Imam \_\_\_\_\_ brought in by Islamic Relief Canada.

Islamic Relief Canada has admittedly sent millions of tax payer money to Islamic Relief World wide, I listed terrorist organization in several countries including the United Arab Emirates.

It is alleged this money is being funnelled to Hamas in the Gaza strip. Zia Choudhry's family serves in the Pakistan army and Interservice Intelligence Agency ISI.

## Nadirah Nazeer Candidate: Toronto-Beaches

*Ishaq Muhammad brought Andrew Scheer to Arifa Muzaffar Radio Studio. She is a known ISI supporter within South Asian and Pakistani communities.*

Ms. Nadirah Nazeer was acclaimed as the candidate in the Toronto Beaches riding. Although it is uncertain how close her ties are to the Pakistani Interservice Intelligence agency, she is taking donations from local real estate agents with links to the Pakistani Interservice Intelligence agency (ISI). Many influencers in the South Asian and Pakistani community are aware of these links to ISI and therefore Ms. Nazeer should also be aware of these links. If not, she is not suited for the role of political candidate.

Currently Jeff Trinh under the influence of Ishaq Muhammad (politically short vision Islamist) selecting Candidates for Conservative Party in GTA,

## Recommendations for Immediate Action

1. Candidates with links to foreign intelligence agencies including the Interservice Intelligence Agency (ISI) must be have their acclamations revoked immediately due to national security concerns.
2. Senator Salma Attaullahjan must be dismissed from the Conservative Party of Canada caucus for alliances with ISI and the Free Khalistani extremist movement.
3. Jeff Trinh and Dustin Van \_\_\_\_\_ must be removed from any and all duties within the Conservative Party of Canada
4. Ishaq Muhammed must be permanently cut off from any access to Andrew Scheer, his office, staff or any formal or informal communication.
5. If the above recommendation are not acted upon in a timely manor, Andrew Scheer and his senior staffers must be removed from office and a leadership race should be conducted asap with political entryism addressed as a major concern facing the party.
