Talking Heads | [Table of Contents](#)

[Verse]

Am

Heard of a van that is loaded with weapons
packed up and ready to go
Heard of some gravesites, out by the highway
a place where nobody knows
The sound of gunfire, off in the distance, I'm
getting used to it now
Lived in a brownstone, lived in the ghetto, I've
lived all over this town

[Chorus 1]

E

This ain't no party, this ain't no disco, this
ain't no fooling around
No time for dancing, or lovey dovey, I ain't got
time for that now

[Verse]

Am

Transmit the message, to the receiver, hope
for an answer some day
I got three passports, couple of visas, don't
even know my real name
High on a hillside, trucks are loading,
everything's ready to roll
I sleep in the daytime, I work in the nighttime,
I might not ever get home

(repeat Chorus)

[Verse]

Am

Heard about Houston? Heard about Detroit?
heard about Pittsburgh, PA?
You oughta know not to stand by the window,

somebody might see you up there
I got some groceries, some peanut butter, to
last a couple of days
But I ain't got no speakers, ain't got no
headphones, ain't got no records to play

[Chorus 2]

E

Why stay in college? why go to night school?
gonna be different this time?
Can't write a letter, can't send a postcard, I
can't write nothing at all
This ain't no party, this ain't no disco, this
ain't no fooling around
I'd love you hold you, I'd like to kiss you, I ain't
got no time for that now

[Verse]

Am

Trouble in transit, got through the roadblock,
we blended in with the crowd
We got computers, we're tapping phone lines,
I know that ain't allowed
We dress like students, we dress like
housewives, or in a suit and a tie
I changed my hairstyle so many times now,
don't know what I look like!

You make me shiver, I feel so tender, we
make a pretty good team
Don't get exhausted, I'll do some driving, you
ought to get you some sleep
Burned all my notebooks, what good are
notebooks?, They won't help me survive
My chest is aching, burns like a furnace, the
burning keeps me alive

[Verse]

I try to discover
A little something to make me sweeter
Oh baby refrain from breaking my heart

Why you're making me work so hard

Oh baby please give a little respect to me

And if I should falter
Would you open your arms out to me
We can make love not war
And live at peace with our hearts

[Post-Chorus]

What religion or reason
Could drive a man to forsake his lover
Don't you tell me no

Daylight turns to moonlight - and I'm at my
best

Praising the way it all works - gazing upon
the rest

The cool before the warm

The calm after the storm

The calm after the storm
E/G# Em/G D/F# Bm7 E7
I wish to stay forever - letting this be my
food
Bm7 E7
Oh, but I'm caught up in a whirlwind
C#7 D E
And my ever changing moods - Yeah
Bm7 Amaj7 Bm7 Amaj7
Bitter turns to sugar - some call a passive
tune
Bm7 Amaj7 Bm7
Amaj7
But the day things turn sweet - for me won't
be too soon
Dmaj7
The hush before the silence

The winds after the blast

The winds after the blast
E/G# Em/G D/F# Bm7 E7
I wish we'd move together - this time the
bosses sued
Bm7 E7
But we're caught up in the wilderness

And an ever changing mood

Bm7 Amaj7 Bm7

Teardrops turn to children - who've never
had the time

To commit the sins they pay for through -
another's evil mind

The love after the hate
Amaj7
The love we leave too late

The love we leave too late
E/G# Em/G D/F# Bm7 E7
I wish we'd wake up one day - an' everyone

And an ever changing mood
Bm7 Amaj7 Bm7 Amaj7
Evil turns to statues - and masses form a line

But I know wich way I'd run to - if the
choice was mine

The past is knowledge

The present our mistake

We always leave to late

I wish we'd come to our senses and see
there is no truth

In those who promote the confusion

Oh my my this war dance

A patriotic romance

No we ain't seen nothing like it

Since coronation day

But when the tickatape flies

And blood is on the rise

You know it's got you in its sway

You got yourself a war dance

There's a cheap sensation

Keeping Fleet Street wide awake

Everyone wants a slice of

The jingoistic cake

And they're resurrecting Churchill

And bringing national service back

Fueling power and glory fever

Makes for a sicker Union Jack

Yes I'm talking about this war dance

A patriotic romance

And I know all you poets

Have seen it all before

About the stirring of those young hearts

Back in the first world war

Oh, my, my, this war dance

Patriotic romance

This war dance

Gotta hold on tree dance

Oh, my, my, my, war dance

The stirring of those young hearts, young hearts

War dance, um, war dance

She came from Greece she had a thirst for
knowledge

She studies sculpture at St. Martins College

That's where I caught her eye

She told me that her dad was loaded

I said "In that case, I'll have a rum and coca-
cola"

G

She said "fine" and in a thirty seconds time
she said

[Chorus]

F

"I want to live like common people

C

I want to do whatever common people do

I want to sleep with common people

G

I want to sleep with common people like
you"

C

Well, what else could I do? I said "I'll see
what I can do"

[Verse]

C

I took her to a supermarket

G

I don't know why but I had to start it
somewhere - so it started there

C

I said "Pretend you've got no money"

She just laughed and said "Oh, you're so
funny"

G

I said "Yeah, well I can't see someone else
smiling in here

[Chorus]

F

Are you sure you want to live like common
people

C

You want to see whatever common people
see

You want to sleep with common people

G

You want to sleep with common people like

C

But she didn't understand, she just smiled
and held my hand

Rent a flat above your shop, cut your hair
and get a job

Smoke some fags and play some pool,
pretend you never went to school

But still, you'll never get it right, 'cos when
you're laid in bed at night

watching roaches climb the wall, if you
called your dad he could stop it all

[Chorus]

You'll never live like common people

C

You'll never do whatever common people

You'll never fail like common people

C

Because you think that poor is cool

[Verse]

C

Like a dog lying in a corner, they will bite
you and never warn you

G

look out, they'll tear your insides out

C

'Cos everybody hates a tourist especially
one who thinks that it's all

G

Such a laugh

and the chip stains and grease will come
out in the bath

F

you will never understand how it feels to
live your life

C

With no meaning or control and with
nowhere left to go

You are amazed that they exist and they
burn so bright
