

FHP Reps

ELECTRONICS MANUFACTURING SOLUTIONS

FHP is a Manufacturers' Representative organization that provides best-in-class equipment, consumables and services to the electronics manufacturing industry. Unlike many rep firms however, we do not specialize in just equipment or supplies. We specialize in solutions.

We are a privately held company with representatives strategically placed throughout the areas we serve. Contact us so we can learn about you. It's all about solutions and we're here to help.

FHP Reps, LLC 5301 Meyer Court, Granbury, TX 76049
