

Hello

We see you have a dog(s) living outside. Holly's Hope is a volunteer organization that helps dogs and dog owners in our community. Sometimes we all need a little help, and that's why Holly's Hope was created. Volunteers do all of the work.

- A Fence
- A Doghouse(s)
- Tarps in the summer to protect from harsh heat and rain.
- Straw in the winter to keep them warm.
- Dog Food

Vet Care

- Rabies Shots
- Spay and Neuter Services

I will stop by when I think you are home to see if you are interested or feel free to text or call me at 949-800-9816.
