

Class #15 – Guest Speaker – Will Rush

Will Rush

Co-Founder + CEO

Stack

Email: will@trystack.io

Will lives his life based on three themes: finance, children, and education. As a teenager he was a camp counselor, volunteer teacher's assistant and proud big brother. In college, he founded two teaching programs. After over a decade in the finance industry it became Will's professional life mission to make complex financial products simple through just-in-time education. His most important roles are husband and dad.
