

Class #5 – Guest Speaker – Jaime Nacht

Jaime Nacht
CEO & Co-founder
HAVIUM

jamie@havium.com

Jamie is the CEO of Havium, a disruptive real estate tech company making it easier for investors of all types to benefit from passive ownership in rental property investments. On behalf of its clients, Havium has acquired tens of millions in real estate and has analyzed more than \$24 billion in real estate opportunities. Jamie has both undergraduate and graduate degrees from the University of Washington, and prior to founding Havium held leadership roles within the banking, finance, and healthcare/pharmaceutical industries. Jamie lives in the Pacific Northwest with his wife, two children, and dog, Charlie.
