

Financial Literacy with Mr. 401(k)

Winter Term 2024 - 2025

January 16, 2025

Class #14 – Guest Speaker – Jack Westphal

Jack Westphal

Managing Director

FTI Consulting

Email: jack.westphal@gmail.com

Jack Westphal is a Managing Director in FTI Consulting's Forensic & Litigation Consulting segment and is based in Seattle.

With over 15 years of experience, Mr. Westphal specializes in performing lost profit and construction cost claims analyses, preparing environmental response cost claim packages, financial forecasting and budgetary analysis, construction cost and contract audits, and fraud investigations.

His industry experience spans construction, agriculture, environmental remediation, government contracts, education, airports and seaports, mining, and manufacturing. Mr. Westphal has served as an expert on both residential and commercial construction disputes.

He has significant experience preparing and analyzing construction claims on behalf of both owners and contractors in the United States and internationally. Mr. Westphal has conducted numerous construction contract cost audits and forensic investigations to assess the sufficiency of documentation supporting claimed amounts.

Additionally, he has considerable experience assisting clients with the recovery of environmental response costs incurred under the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA). Mr. Westphal has developed numerous environmental response cost claim packages in line with National Contingency Plan (NCP) accurate accounting recovery standards.

Mr. Westphal earned a Bachelor of Arts in Business Administration with an emphasis in Finance from the University of Washington. He is a Certified Public Accountant and a

member of the American Institute of Certified Public Accountants and the Washington Society of Certified Public Accountants.
