Making & Spending Money

Class 9: “Broken Money” by Lyn Alden Video

Broken Money

Class Discussion

*What insights
about money
did you learn
from the video?*

Three Key Takeaways

1. Money is a value exchange tool, enabling people to trade goods and services easily when it holds value over time.
2. Money loses value when too much is created or trust is lost, making it harder to save.
3. New types of money are created to solve problems and work better for everyone.
