# Entrepreneurship

**“The pursuit of opportunity  
beyond resources controlled.”**

Professor Howard H. Stevenson  
Harvard Business School

A lightbulb hangs from the top of the frame, casting a warm glow. Below it, a group of people are seated around a table in a meeting room, looking at documents and laptops. The background is blurred, showing a potted plant and office furniture.

**All businesses, even large  
global companies, were  
founded by entrepreneurs**
