Description

You've come to expect adventure from the Chaparral family, and the 21 Surf delivers it in style. The 21 Surf combines everything you love about the SSi line with the amped - up power of our Surf series, delivering it all in a sleek package you're proud to cruise around the water in. Wakesurfing is more thrilling and easy to enjoy than ever, thanks to the Malibu surf gate™ that lets you instantly adjust your wake - no repositioning necessary! Powered by Volvo forward drive, the 21 Surf features a Simrad touchscreen display that makes controlling your ride easy and straightforward. One thing is for sure: if you're not already a wakesurfing enthusiast, the 21 Surf is sure to turn you into one. The 21 Surf comes standard with a Simrad Multifunction Touch Screen control, custom molded fiberglass dash with a hand stitched vinyl wrapped visor and Issotta Evoq steering wheel. With this advanced helm, critical information such as engine performance, fuel level and depth is always in view or just a touch away.
