Description

This Cobalt comes with a Brand new 2020 Venture tandem aluminum trailer!!

The 24SD brings along all the expected Cobalt standards: the easy quickness to plane, the inimitable ride, the stability in turns. And it does so with elegant simplicity, as here in the interior with its multiuse sunpad and adjustable backrest, easy accessibility with walk-thrus at bow and transom, Vara-Dense comfort in every seat, and a head with porta-potti. Well-placed storage stows a large group's carry-ons. With Cobalt, there is always choices galore, and the SD is no exception, choose the cockpit galley with sink ---or maximize your seating area with a seat in place of the galley. Choose to stand in the bow with filler cushion out, or fill the area for maximum sunning pleasure, Oh, and flip down those armrests, yes, that's better. And finally – at the transom - The swim platform
